PRESENTS

AN OBEDIENCE SEMINAR WITH

LAURA ROMANIK

MAY 6 & 7, 2017

at Tri-county Dog Training, 8064 Briar Road, Azle, TX 76020

About Laura

With a career that includes the 2009 National Obedience Dog of the Year (a Sheltie), the first OTCH Beagle, group placements at the National Obedience Invitational (now called NOC) in Herding and Hounds, a career total of 6,765 AKC OTCH points, 500 UDX legs, 209 HITs, 266 HCs, four 200s, Laura truly understands how to bridge the gap from training to showing.

Laura loves obedience training and the relationship and teamwork that it helps her to develop with her dogs. Her training methods are built on scientifically recognized behavioral principals that heavily emphasize positive reinforcement. Laura excels at teaching reliable responses to commands, while motivating dogs to understand and enjoy the training process.

In addition to her own success, Laura has a knack for breaking exercises down and explaining her techniques and principles in a straight forward way that others can understand. In just a few short years of teaching, Laura's students have earned many titles from Rally Novice through OTCH, High in Trial, and High Combined awards, and National Specialty wins. Laura loves working with obedience enthusiasts at all levels. Regardless of your experience, breed of dog, or training philosophy—she will help you to improve your training and showing results.

Throughout the seminar there will be group floor time to allow the working participants to try out the methods being taught. In order to keep the size of the groups manageable, and to ensure fair access to all, each working spot will be given a set number of "tickets" to participate in these group activities. Typically each working person will have enough tickets to be able to participate in approximately half of the group activities of their choice. The tickets can be used all with one dog or spread over multiple dogs; however, no more than one dog per person per group activity.

Fee includes Continental Breakfast, Snacks and Drinks. **Hotels that will accept dogs:**

Restaurants are located about 6 miles in Azle

For lunch, sandwich fixin's will be provided by the owners of the facility for a donation (\$5 suggested).

Please bring your own chair, crate, and treats for dog.
