## This Month's Program

Our speaker for the Wednesday, March 14th will be George Vanneman

Don't spend all your money at Fred Hall this year. The March Speaker will be George Vanneman of George Vanneman's Quality Weights. George is well known on the tackle swap meet circuit for his quality sinkers and lead heads. But George adopted a new name last November, Cribbs Jigs and Sinkers. In addition to a wide variety of very reasonably priced sinkers and lead heads, George now manufactures and sells Cribbs jigs. The Central Coast has been on fire for these jigs. He will be bringing a selection of everything with him and this is your opportunity to see these jigs for yourself. These jigs have been catching all kinds of rockfish, halibut and lingcod. George will have to tell you what else they have been used for. He will also be appearing at the Del Mar Fred Hall Show this year. so this is our chance now 1:1 before George gets too famous.

## March 2018 President's Message

Wow opening day for rockfish was on the first, by now Fred Hall has past and its time to get serious and sign up for trips. We offer a variety of fishing experiences this year and the majority are on the weekend, so no excuses that we don't have weekend trip. Our April Dawn and Tak trip are fast approaching. Please consider fishing with us on one of these trips. After all, we are a fishing club!

So many things are going on at the moment. First, I must put out the HELP WANTED sign as our Freshwater Chairman, Luke Fitzpatrick is leaving the club and I and the club are in dire need of filling this position. I would love to have it filled so we can move forward with more freshwater events. I wish Luke luck and hope one day he will return to the club and hopes he considers fishing with us in the future.

I want you to mark your calendar for Saturday May 19, 2018. CCA California Los Angeles Chapter is having its fund-raising BBQ raising money to help protect our fishing rights. The Bar B Que will be held at Long Beach Rod and Gun Club 3333 Pacific Avenue Long Beach, CA 90807. Tickets are \$50.00 each and I hope to get 10 members from our club, so we can have a Turner's Rod and Reel table. If you'd like to or plan to attend, please let me know so we can buy our tickets together. Thank you. There will be raffle prizes and a separate featured raffle for a \$1200. Yamaha 2000-Watt generator. Tickets for the generator will be \$10.00 each. I hope to see you there representing our club and supporting CCA California!

As the fishing season is finally picking u, I hope to see more pictures and more stories for our newsletter.

I assigned club members Denise Davis and Laura Jones to present a \$600.00 check from our club to Friends of Rollo at the Long Beach Fred Hall Show. Hopefully, they took pictures and we will feature them in a future newsletter.

In closing, Sportsmanship is more important than the biggest fish you will ever catch. Go out, have fun and enjoy our sport. Everyone brings someone new to a meeting and help recruit new members to keep our sport strong. Thank you.

Your President

Meetings are held the second Wednesday of the month at Mimi's Restaurant in Monrovia. Mimi's has accommodated us with separate checks, an open menu, and they start taking orders as we arrive. (As early as 6PM sometimes.) We want to keep this in balance. Please continue to purchase dinner during our meetings. If you are unable to purchase dinner or prefer your wife's cooking, please consider dessert and a beverage at least. Remember that your check does not include the tip so you need to add on the tip. And please be generous in your tip. We are not the easiest group to work.

### 2018 Membership Drive

The 2018 Membership Drive is on!!!!  
Sam will have **pre-printed forms**. Just bring your check or cash and validate your personal information on the pre-printed forms. The data on the pre-printed forms comes from the club database. This is the best time to verify and update your information. (Please make every effort to use the pre-printed forms rather than fill out a blank form. I have had instances when people supplied "new" or "revised" information (or I couldn't read their writing), only to have to change the information back at a later date! Thanks for your consideration and cooperation.)

The dues for 2018 are the same as last year: \$45 for an individual and \$60 for a family membership.

### **Membership Card Reminder**

All members are reminded that your club membership entitles you to a 10% discount on NON-SALE fishing tackle items at Turner's Outdoorsman stores. This discount is not available for guns or ammo. You are also reminded that after January 1 2018, your 2017 membership card is void. In order to receive the discount, a current 2018 membership card will be required. All store managers are aware of this and there are **NO EXCEPTIONS**.

### **Website Update**

All of the updates have been entered into the Website. If you have anything you would like to add, e-mail it to [newsletter@turnersrodandreelclub.com](mailto:newsletter@turnersrodandreelclub.com).
