MEET THE BOARD

Ginny Faust is our secretary. A native of Pittsburgh, she went to college in the south, married a "southern boy" and has never looked back. She worked for 11 years in public relations for a regional theatre in Louisville, Ky where she and her family lived for 30 years. Her first ski experience was on the icy slopes of a small ski area called Paoli Peaks in southern Indiana just across the Ohio river from Kentucky. This expanded to going west to Colorado and Utah (wow, fresh snow!) and she celebrated her 40th birthday in Beaver Creek. She hung up her skis after moving to Hilton Head in 1992 and let golf, boating and bridge fill the void. Ginny has 3 daughters, 9 grandchildren and 4 great grandchildren all living in different parts of the US, so as you can imagine, she travels frequently. This is her second year on the board as secretary.
