Well this ol' world ... it sure seems messed up,
and the tensions...don't seem to let up,
and the flames of...hatred always seem aglow,
don't you know...

At home there's mistletoe ... and candles...
but we just can't....get a handle...
on all the crazinessthat has spread throughout
the world we know ... today...

But it's The Season....that has The Reason....
to offer up Hope...to those who need some...
to reach out with ... all we are ...
to help all those who are in need....

Well, Christmas is Love...
Yes, Christmas is Love...
Christmas is One Star shining bright
above all of us...

Christmas is warmth,
Christmas is free,
Christmas is God through you and me;
Christmas is when our hearts rise above,
Christmas is Love.

Well, there's a Prince of Peace... Who walks though this life...
with us through terrors ... through fears and our strife....
and no matter ... what we face we know...
that in the end... We Win....

So turn off your fears of living...
Go forth with gladness, and start forgiving
Do for others, not yourself and know the Joy the Season brings...

And help people 'round the world
to know this one important thing....

Well, Christmas is Love...
Yes, Christmas is Love...
Christmas is One Star shining bright
above all of us...

Christmas is warmth,
Christmas is free,
Christmas is God through you and me;
Christmas is when our hearts rise above,
Christmas is Love.

Christmas is Love...
Tell them Christmas is Love...
Brothers and sisters round the world,
It's just one cloth we're all made of...

Red and yellow, brown, black and white...
We are all precious in the sight...
of The One born that Special night...
Oh, Christmas is Love...

Christmas is Now...
The feeling is right...
Let us praise God with our voices raised high!
Breathe in the Spirit that's sent from above...
Christmas is Love....

Christmas is Now...
The feeling is right...
Let us praise God with our voices raised high!
Breathe in the Spirit that's sent from above...
Christmas is Love....
