

Ashtead All Stars Netball Club: Update

Saturday 21st April 2018

Dear all,

What a fabulous End of Season we have had. I would like to thank Kelly once again for organising our End of Season tournament. It is a lot of work and a lot of organisation, and Kelly always makes it look easy. Well done to all the award winners and well done to all the players on the day. I hope you have all bought the Leatherhead Advertiser this week which has a huge article on AAS and our recent results. We took £350 on refreshments. Claire Whittaker sent the money off to The Childrens' Trust Tadworth and we had a lovely letter back which I hope you will share with your daughters. It is on page 2 of this Update. Due to the late snow in March, there were still some League matches to play which have been played this weekend. Results below:

NONSUCH LEAGUE

OUR TEAM	OPPOSITION	RESULT	SCORE	STAR PLAYER
U14A	Fairlands	WON	25 - 5	Amelia

- September 3rd: Beginning of new season

LETTER FROM THE CHILDRENS' TRUST, TADWORTH

Dear Claire and The Ashtead All Stars,

Thank you!

A huge thank you to the Ashtead All Stars team and participants of the end of season Netball tournament for raising a fantastic £350, your support really does mean so much to everyone here at The Children's Trust. Please pass on our sincere thanks to all those involved.

Every year over 40,000 children are left with a brain injury after an accident or illness. Many children make a good recovery, but thousands have to live with ongoing, long-term problems. Some children are left with severe physical or learning difficulties. Some children experience more subtle difficulties which nevertheless have a big impact on their lives.

The Children's Trust is the UK's leading charity for children with brain injury. Every year we support thousands of children right across the country. We provide rehabilitation to help children make the best recovery possible after a serious accident or illness, both at our national specialist centre in Tadworth, Surrey and in the community.

Our vision is for all children with brain injury to have the opportunity to live the best life possible. Your generosity is helping us to achieve that. On behalf of the children and families at The Children's Trust, thank you so much for choosing to support us.

Yours sincerely

Sue Lidbetter
