**Secretaries Report: Read by Mark, motion to accept by Karen, second by Trisha. Motion carried.**

On an update on our benches: First a big thank you to Paul who took the benches on as his project. He was able to save 3 of them and one of them needed a new top. We can all feel safer now while sitting and enjoying the events at our bike nights.

A big thank you to all who helped with the party. Lil Joe put in a lot of grounds cleaning time prior to everyone else jumping in to help with preparations. The sign crew out did themselves to make sure we knew where to go. We can still always use more help prior to and after the party. A good time was had by all and the ride was great.

A few people were on the ride escort for Korean Veteran Charles Lawler, whose remains were returned after all these years. We among many others who escorted him and his family from the funeral home to the cemetery to rest next to his mother. Thank you for your service sir.

Thanks for selling raffle tickets again this year. They all need to be returned ASAP to Wally or mail them back. No last minute turn in, please.

Just a reminder that there is an awareness ride on Aug 11 called "do you see me now" to raise awareness to distracted drivers.

Motion was made by Dave B, second by Gina B to adjourn. Motion carried.

Enjoy our last month of scheduled bike nights.

**Wally has more bike raffle tickets if needed. Please return all sold tickets to him so they can be turned in by August.**

**If you have any issues that need to go to the Abate board, get with Wally and he will take your issues to the next Abate board meeting.**
