

# QUILT OF VALOR NOMINATION

The mission of the Manteca Quilters' Quilts of Valor program is to present Local Area Veterans and active service members with a Quilt of Valor to honor and thank them for their service to our country. A nomination form must be completed for each recipient and the recipient has not yet received a Quilt of Valor. We are affiliated with the National Quilts of Valor Foundation as a local Quilts of Valor Group, and report our presentations to the national organization. We are not about politics. We are about people.

**Please send the completed, signed form to:**
