1st Mile Driving Academy is a licensed and bonded company dedicated to serving its' clients in the most effective manner possible by providing the best, most up-to-date driving methods available. We serve the Irmo, Chapin, Prosperity & Newberry areas and will work diligently with each student to meet SCDMV requirements and ensure they have the best chance possible to pass the driving portion of the SCDMV license test but this is not our sole purpose. Most important to us is that students have the best chance to be successful and safe – from the first mile on...

TRAINING

- A SCDMV certified driving instructor will provide all instruction during the 8 hours of classroom training and 6 hours (or more) of driving.
- The classroom instructor will not only be DMV certified but will also be a state certified law enforcement driving instructor/instructor trainer with more than 19 years in that discipline.
- We will pick students up for driving sessions from home, work, or school, anywhere in our service area from Newberry to Columbia and return them in that area upon completion of the lesson. If pick up or return is required from significantly outside the service area, you may be required to make arrangements to meet the instructor at a convenient location.

CLASS

- Classes will be conducted on designated Saturdays from 8:00 AM until 4:00 PM
- Class sizes will be limited by the number of driving sessions that can be accommodated during (1) month.
- Lunch is included with the class but if a student requires a special diet, it must be provided by the student.

VEHICLES

- A dedicated training vehicle with automatic transmission, passenger side brake and rearview mirror conforming to state requirements will be used at all times.
- All vehicles have at least the minimum amount of insurance coverage required by state regulation.
