

# Virginia National Guard Youth Program

PRESENTS

## 11th ANNUAL National Guard Youth Camp

The Annual Virginia National Guard Youth Camp targets 8-12 year old dependents of current National Guard Soldiers and Airmen from around Virginia. This 6-day camp has a broad range of educational, team-oriented, and resilience building activities. This year we are bringing out programs from STARBASE, Mad Science, Red Cross, and Colonial Folk Art that will educate youth through robotics, physics, chemistry, and visual art. VA Beach Police and Fire Departments, as well as, National Guard Unit support will present community resources and military assistance that provide examples of service and demonstrate the great tradition of the National Guard Family. The week will close out with a Flag Retirement Ceremony performed by National Guard Personnel.
