ROSE HILDEBRANDT & 'REBATE'

Tina Graham

WANTASTREAKEREBATE aka 'Rebate'

Raised by Jerry and Sandy Harms

Rebate was behind going into the Fall futurities so I entered her in the close ones and the breeders. After the 5-State Futurity where she placed in the first round and things didn't go real well in the 2nd round, I decided to take her to the Fizz Bomb and run her in the 4D's to iron out some of the problems.

At the Roper Rally Futurity, at Gollihers, I went in with a game plan of letting her pick her own pace to the first and go on from there; and it worked! She kind of likes things her way. She was smooth and worked really nice. My other futurity horse worked well also. BHR Speedy Frost ended up 2nd in the second go but we drug first over in the first round so that took her out of the average. I have been blessed with some nice horses this year.

Gollihers always do such a great job of putting on their futurity. They are pioneers in that field.
