THE MENTAL HEALTH OF OUR COMMUNITY MATTERS.

As of 2022, Florida ranks **49th** out of **50** States for access to mental health care

Citation: [Adult Data 2022 | Mental Health America \(mhanational.org\)](#)

(States ranked 39-51 indicate adults having higher prevalence of mental illness but lower rates of access.)

(2017) Florida average of **Adults who experience major depressive disorder: 17%**

In Okaloosa County it's 20%. That's nearly 40,000 residents based on most recent census (*statistic not updated in the 2022 County Health Assessment data*)

Over 4,000 instances of domestic violence occurred in Okaloosa from 2018-2020;
30% higher than the state of Florida average for domestic violence

Suicides in Okaloosa have been higher than the Florida average overall **since 2001.**

In past 10 years, **381 Okaloosa residents died by suicide.**

Of those who died by suicide, 78% were male and 90% were White

In 2020, nearly **2,000 Okaloosa residents hospitalized** due to mental disorders

Brick & Mortar Sponsorship Opportunities

Our Biggest Projects----->

Our consistently growing client base requires us to increase our facilities to continue to meet the needs of our community.

The completion of these projects will allow Healing Hoof Steps to continue to serve our mission of creating lasting, positive change for individuals along the Emerald Coast through therapeutic engagement with horses.

½ of the Arena Cover Space will be provided by grant funding from ARPA/Okaloosa County!

We need your help to cover the remaining 80' distance!
