There are 66 books in the Bible.
God is the author of the Bible and He used 35
writers to communicate His truth over 1300 years.

The Bible reveals who God is and what His plan is for the whole world.
This includes His plan of salvation through His son, Jesus Christ.

The Bible is:

- **Inspired-** The Bible is "God breathed." As such, it provides all with His special revelation.
- **Authoritative-** The Bible is authoritative in the life of the believer and for the whole Church
- **Inerrant-** the Bible is wholly true without mixture of error in all that it speaks to.
- **Sufficient-** The Bible is all that the believer needs to live and grow in the Christian life
- **Clear-** God's Holy Spirit helps the reader to understand the meaning of the Bible.
