

Don't Stop!

“So do not throw away your confidence; it will be richly rewarded. You need to persevere so that when you have done the will of God, you will receive what He has promised. For, In just a little while, He who is coming will come and will not delay. And, But my righteous one will live by faith. And I take no pleasure in the one who shrinks back. But we do not belong to those who shrink back and are destroyed, but to those who have faith and are saved” (Hebrews 10:35-39).

Many of you feel like you are being held in captivity by the circumstances of your life. Things have not gone the way you expected or planned. The process has been long and painful. Don't stop! Keep moving! Whatever you do, don't stop!

The Lord your God is the Master over your life's events! Even now, you are not alone, nor will He ever leave you alone. He will bring you out of this painful time of suffering.

The Lord says, don't underestimate this time. These times of pressure, sorrow, and testing, are truly Father filtered. You will soon see His power and His purposes will come to pass if you don't stop.

Friends, do not shrink back! Do not stop pressing forward. I know it hurts. I know it's hard. You will overcome this. It will not last forever. Do not be afraid or shrink back from this trial. Do not let bitterness, disappointment, or weariness rule over you.

Do not doubt what He can do and will do. Do not believe the lies of the enemy that this all “junk” has no purpose or is for NOTHING. For with God every day of your life has eternal purposes!!!

God sees the most difficult things that are buried deep within your heart that cannot be seen or known by others, but they are known by God. It is these very things within your heart and soul that will be used by HIM.

He will take those very things and use them only when they have been refined and purified by Him. Stand your ground. Do NOT throw away your confidence in WHO you KNOW HE IS.

It is a time to persevere! Now is not the time to stop. Now is not the time to quit! It's time to persevere in His strength. Persevere in Him- for after you have done the will of Him, the ONE you trust, you will receive what He has promised. You can and Will OVERCOME !!!
