Dear Drivers and Participants for the Governor of Indiana Mansion Tour,

The Vermilion County Republican Women's Club very much appreciates the drivers and participants for the mansion, residence tour of Indiana Governor Mitch Daniels Tuesday June 7, 2011 in Indianapolis. The event ended with a lovely lunch at Palamino Euro Bistro Restaurant selected by Raj. I believe Governor Daniels has made great advancements for women and children and the economic health in Indiana. These productive facts impact our nation positively. I also believe Governor Daniels has made significant statements that will be acknowledged, commended, and followed by our nation's governors and legislative bodies. The Republicans in Vermilion County, Illinois and Fountain, Vermillion, Warren, Indiana counties will have this opportunity Wednesday June 22, 2011 at the Beef House Restaurant, Covington, Indiana. Please join us.
