

Finance Committee Meeting Minutes
June 27, 2022
5:57 PM - 6:17 PM

Present: Joshua Kuhl, Rosetta M. York, Gayle Glumac, Marlene Harris, Melissa Brooks, Larry Brooks, David Brown, Matt Tarr and RJ Lindemann

Meeting was called to order at 5:57 p.m.

Appropriations were put in front of the committee and opened for discussion. They will be available to the public from July 5 - July 18.

A discussion was had as to whether or not the city would contract out its fuel supply across several months to keep prices consistent. It was decided to disregard this and proceed on a month-to-month basis, playing the market and searching for the lowest price each month.

Fees for environmental inspections regarding the riverwalk may be coming up. These fees should be reimbursable through the grant we have with the state.

Meeting was adjourned at 6:17 p.m.
