

COSMIC MERCY SEAT OF YHVH

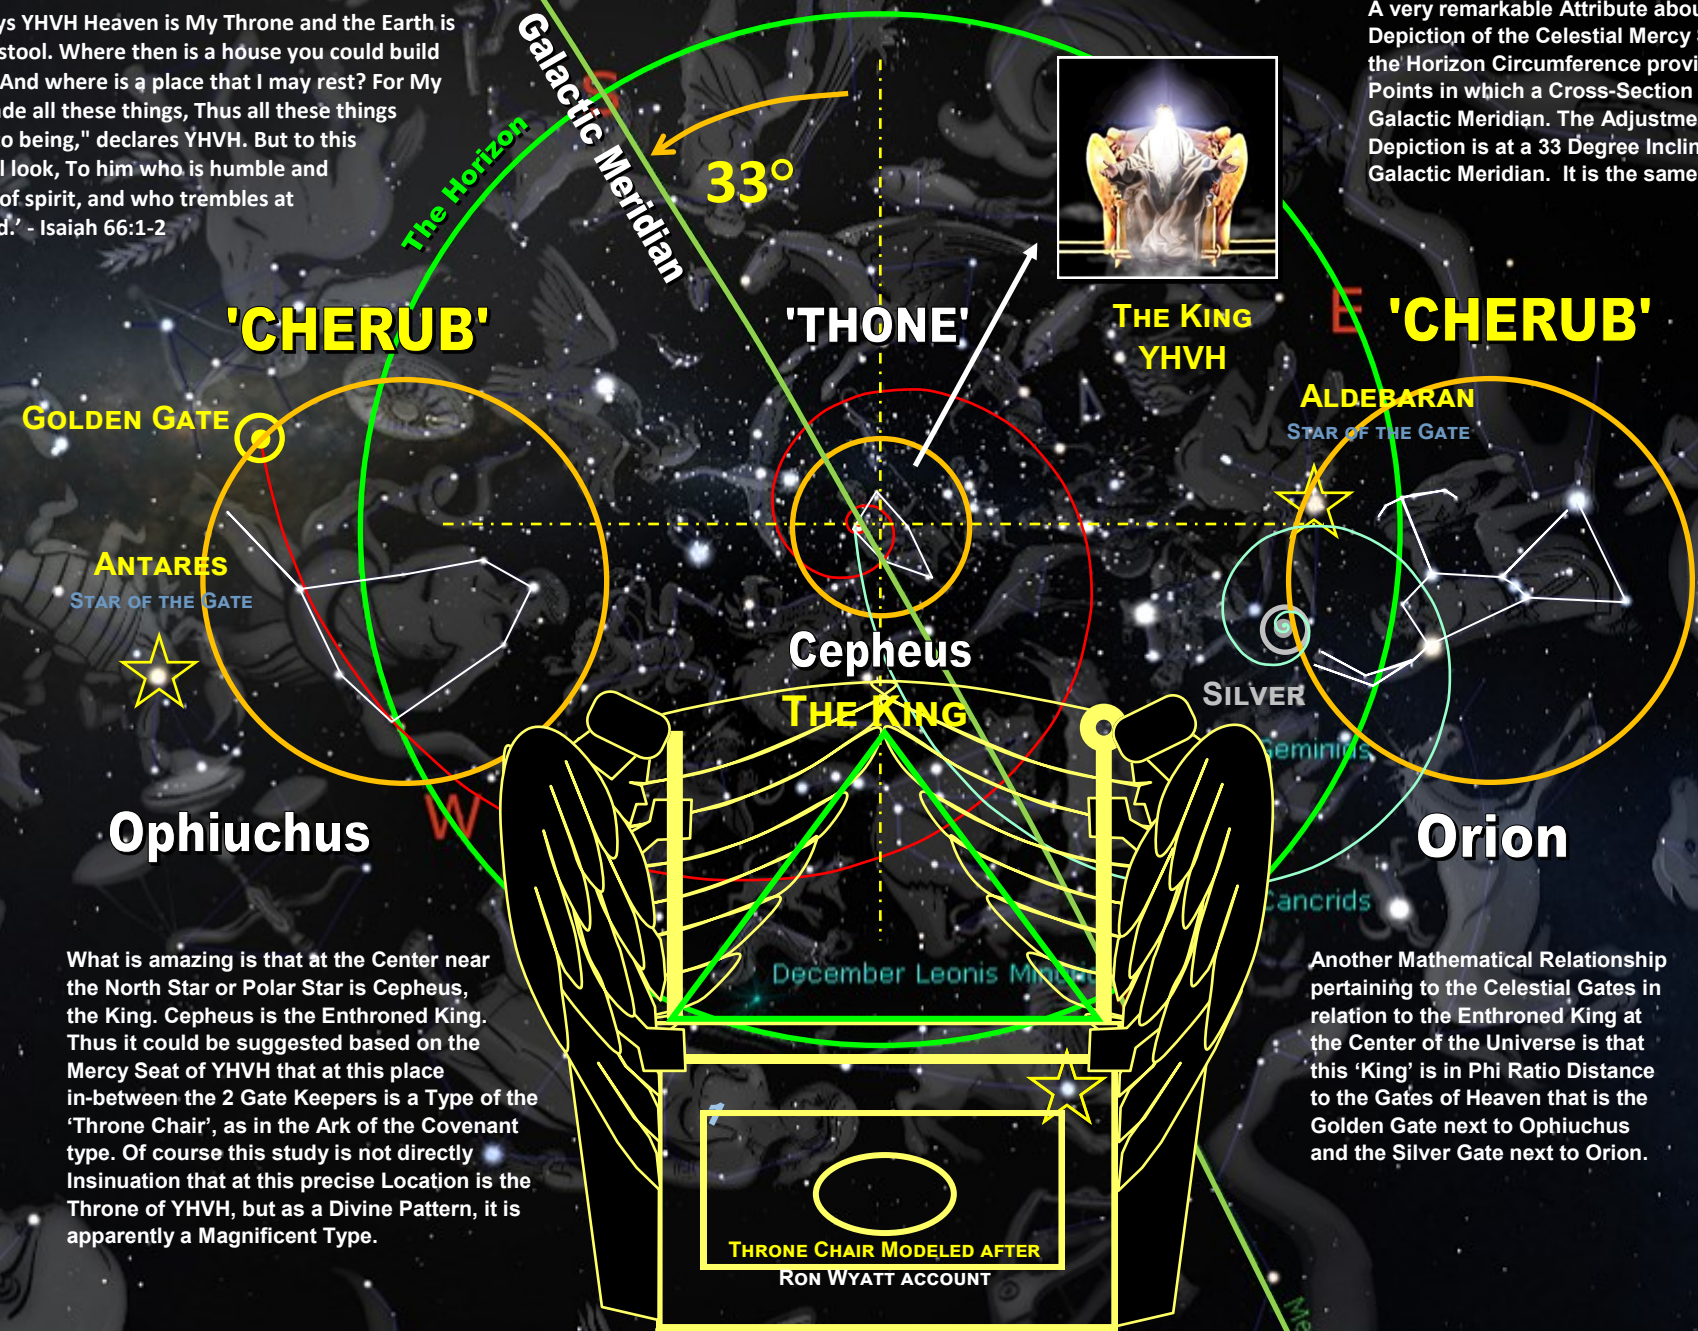

The purpose of this illustration is to show that the Cosmos or the 'Heavens' is perhaps also situated after the Pattern of the very Ark of the Covenant. The Ark was as a 'throne' or Royal Chair that in the Ancient Times a King or Queen would be lifted up by 2 Men on either side and carried. The Throne Chair was a Symbol of the Authority and Justice the King would allocate and represent. Could this be no different in the very Cosmos as the Bible does teach that YHVH Himself attributes to having a 'Throne' that encompasses such a vast Creation? If one uses the Stereographic View of the Universe, one can clearly see that there are 2 Sentinels on each side of the Cosmos. These are Ophiuchus and Orion. These are the Guardians of the Galaxy, Metaphorically as they Guard the Gates of Heaven, the Golden Gate and the Silver Gate.

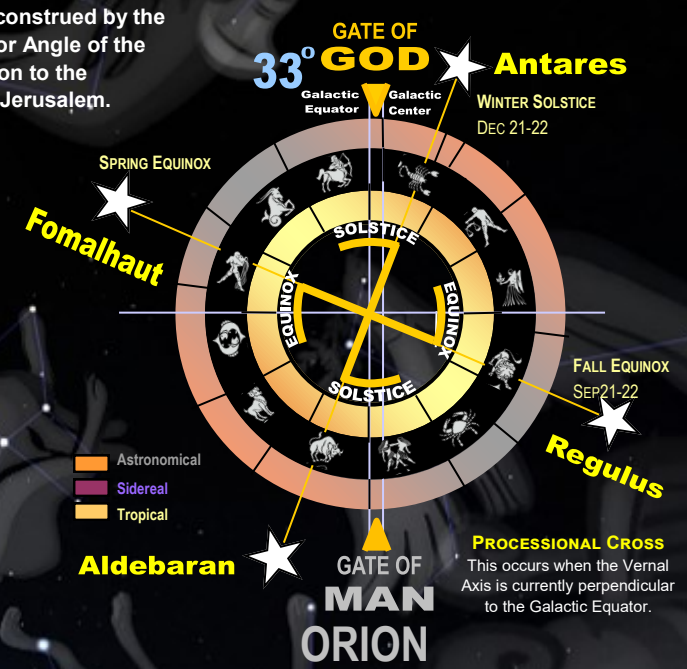

"Thus says YHVH Heaven is My Throne and the Earth is My Footstool. Where then is a house you could build for Me? And where is a place that I may rest? For My hand made all these things, Thus all these things came into being," declares YHVH. But to this one I will look, To him who is humble and contrite of spirit, and who trembles at My Word.' - Isaiah 66:1-2

CELESTIAL THRONE PATTERN

A very remarkable Attribute about this Cosmic Depiction of the Celestial Mercy Seat of YHVH is that the Horizon Circumference provides the 4 Cardinal Points in which a Cross-Section is construed by the Galactic Meridian. The Adjustment or Angle of the Depiction is at a 33 Degree Inclination to the Galactic Meridian. It is the same in Jerusalem.

OPHIUCHUS

ARK OF THE COVENANT
THRONE OF YHVH
Model based on the Eye Witness of Ryan Wyatt.

What is amazing is that at the Center near the North Star or Polar Star is Cepheus, the King. Cepheus is the Enthroned King. Thus it could be suggested based on the Mercy Seat of YHVH that at this place in-between the 2 Gate Keepers is a Type of the 'Throne Chair', as in the Ark of the Covenant type. Of course this study is not directly Insinuation that at this precise Location is the Throne of YHVH, but as a Divine Pattern, it is apparently a Magnificent Type.

Another Mathematical Relationship pertaining to the Celestial Gates in relation to the Enthroned King at the Center of the Universe is that this 'King' is in Phi Ratio Distance to the Gates of Heaven that is the Golden Gate next to Ophiuchus and the Silver Gate next to Orion.

MERCY SEAT

Flanked by 2 Cherub Suggested as a Cosmic Type and Pattern with Ophiuchus and Orion that also correspond to the Gates of the Heavenly, the Golden Gate and the Silver Gate.

Each of the 'Celestial Cherub' are opposing each other at a 180 Degree Angle. They are more or less depicting themselves as if they were the Cherub of the Ark of the Covenant at each end of the Royal Chair of YHVH. This specific Furniture from the very Throne Room of YHVH was given as a Model to Moses to replicate and have in the Tabernacle and subsequent Temples for the King of the Jews.
