

ST MARY MEMORIAL WALL

In 2001 the Ways & Means Committee started the Memorial Wall with 10 columns, 38 blocks, and space for 456 names. Twenty-two years later the Wall is filled. The empty spaces you see have been purchased by families for future use.

Two new columns have been added. Ninety-six new spaces are now available.

The price for each name on the original wall was \$150. However, the price/block has more than doubled, and the cost of engraving has increased by more than 30% since 2001.

This has necessitated an increase in price to \$250 for each name on the new addition. Order forms are available in the church office or online www.stmaryyettem.org
