

Tanbella Orchard

Tips on how to make your day great

- **When and where is the Orchard?**

We are open every Friday to Monday, 10am—4pm, located at 20A Beltana Road, Pialligo, Canberra. See Our Location page for further details on how to get here.

- **Is there parking available?**

Parking is available on site and on the street. We hope that we can help reducing our carbon footprint though, so we encourage you to ride your bike or take a stroll.

- **What will I find at Tanbella Orchard?**

We sell fresh, nutritious, quality produce and products. Come on down for seasonal fruit and veggies, including apples, nashis, pears, peaches, nectarines, cherries, tomatoes, cucumbers, zucchinis, eggplants, capsicums, chili peppers, corn, eggs, herbs, and more!

- **Cash and Eftpos**

Tanbella Orchard has Eftpos available but there may be a time that the internet is down. It's always best to make sure you have some cash with you— just in case. There are ATMs within a few minutes drive, at the Majura Park shopping centre and petrol stations. You can also do a direct deposit into our account!

- **Is there an area to sit down and relax?**

Tanbella Orchard's Picnic Lawn is just the perfect place to sit back and catch up over a coffee and our signature apple ice cream.

- **Sun Protection**

Tanbella Orchard generally has natural shade from plenty of beautiful trees, but being an outdoor area, sun safety is a must. So bring your sunscreen, hat and sunglasses to really enjoy the day.

- **Say no to plastics**

We are aiming to be a plastic-free place so we encourage you to bring re-usable bags with you to help take the load off our lovely planet.

- **More questions?**
