

Human Services, Inc.

Dear Valued Business Partner,

Human Services, Inc. has been supporting people with mental illness since 1972. During our 48 year history we are grateful to have been chosen by thousands of adults and parents of children in Chester County as they embark on their Recovery journey. For the past quarter-century, Human Services, Inc. has also supported thousands of individuals and families in the Mission to End homelessness.

Human Services, Inc. is proud to have become an industry leader in the development of innovative treatment programs and housing initiatives to help better serve our customers and we need your help to continue our Mission and Vision.

To that end, we are asking for your support in raising money and awareness so that we can continue to provide these vital services to the people who rely on Human Services, Inc. as their preferred community mental health and homeless support services provider.

On May, 7, 2020, Human Services, Inc. will be hosting the Third Annual Recovery Gala at the Meredith Manor in South Coventry, Pennsylvania. The Gala has become our agency's major fundraising event of the year and we are graciously asking for your support in our endeavor to change the lives of the people who utilize our services.

Several opportunities are available to get involved in the Gala from attending the event, donating a raffle or silent auction item, serving as a personal or corporate sponsor or volunteering during the event.

For more information about involving your organization in the Gala as a corporate or personal sponsor, purchase tickets, volunteer your time or promote your organizations Mission, please contact Adam Brandt at (610) 873-1010 ext 130 or via email at abrandt@hsi-cmhs.org.
