

BRITISH WHEELS at the SCOTTISH GAMES
Gilbert Regional Park March 2nd & 3rd 2024

FAQ.

Do I need to fill out a form? Yes. There is a separate form for each day. No Day of Show can be accepted. Please note that checks should be made out to the Caledonian Society and would be tax deductible. There is no charge on Sunday which is Display only with no awards. Just the Visitors' Choice.

What's the difference between the 2 days? Saturday there is an entry fee for a proper show with the classes being determined by the number of entries received prior to the cut-off date, February 16th. Just like the old Wheels of Britain, which this show was designed to replace, 2 cars of the same marque will make a class, therefore early registration is requested. The car owners will have ballots to choose the class winners. A Visitors' Choice Award will be given in addition to the picks of the Games Chairmen & the CSA President. On both days all entries will receive a dash plaque.

Must I come both days? No, either day or both is fine.

Must I leave my car for the whole weekend? No, that has never been a requirement. However if you so choose you may safely leave your car overnight. The area is fenced with security guards on 24 hrs duty. (Gilbert PD & a hired security firm.) We will have a well defined area for the cars.

Where are the cars & bikes located ? We will be in a parking lot at the north east side of the Games which will be fenced & admission by ticket only. Basically the same area as last year but the final layout is not yet finalised.

How do I get in? You will be e-mailed a map showing how to get to the park and our entrance point to the fenced field. The Saturday entry fee includes the car, driver & one passenger. Non-show cars (friends & relatives for whom you have purchased tickets) should plan on using the free parking area which has been expanded from last year and golf carts will be shuttling visitors to the main entrance. Discount tickets can be purchased in advance for any other family members. (See entry form for details.) Any extra tickets you may have requested will be available at the 'Will Call' entrance at the main gate.

What are the hours? **The Town of Gilbert requires all vehicles to be in place before the show opens to the public at 9.00am on both days, & remain in place till the area is closed to the public at 5.00pm. Remember the visitors are paying to see the show & therefore deserve to enjoy all the exhibits etc.**

That's a long time. What can I do besides sit by my car? There is no need to remain by your car, everybody watches over neighboring cars. There are 1001 things to do & see. Many people have said they couldn't see everything in one day. There are the Games themselves where you can see men in skirts throwing telephone poles and heavy rocks ! Girls too!

The Scottish dancers will be on stage both days this year with a Championship event too.

No Highland Games would be complete without Pipe Bands and solo Bag Pipe competitions.

There will be a concert stage with rotating artists all day long & the Learner's Arms will give you an education opportunity about all things Scottish.

Merchandise vendors are also there with everything Celtic from kilts & clothing to books, jewelry & other trinkets.

Do we have to pay to enjoy the other activities? Your attendance with a vehicle entitles you to free entrance to everything on either day with the exception of the whiskey tasting and the evening concerts on both days. Extra tickets can be purchased in advance at a discount when added to your entry form.

What about food & drink? There will several food vendors with 'real' food (including haggis for those brave enough to try it.) Also those selling snacks & drinks.

What about trailers? Due to parking restrictions it is suggested that you do not expect to leave your trailer on the grounds. We do not recommend trailering. ALL vehicles must enter the park under their own power. If you are trailing from out-of-town check with your hotel. They maybe able to accommodate you.

If you have any other questions or concerns PLEASE contact Philip at 480-985-2531 and he can give you the correct answers.
