## School News

-Last week we welcomed both seasoned and new faculty back. We had a blessed week of team building, faith building, and hard work as we prepared the school for students. Please pray for our faculty-that we will be the faith and academic building community that God desires for our families, parish, and students.

-Monday, we welcomed 148 students, both seasoned and new, into the building for the 2021-22 school year. We thank God that we continue to grow in numbers and that several of our new families expressed interest in growing their faith as a reason they chose us. Our theme for this school year is Building Faith Together and we see it already happening.

-Niche, an independent on-line school finder, ranked Saint Olaf Catholic School as a National Top Grade School for the 2021 year! We pray this recognition helps bring families to our school who are looking for the faith and education we offer. We are thankful for the recognition of all that is done here by our parish, families, and faculty.
