

Athens Area Humane Society

1781 Mars Hill Road Watkinsville, GA

706-769-9155

Looking for new challenges??

We are seeking Registered Veterinary Technicians to work in our high quality, high volume **Spay/Neuter Clinic** and on the **"Neuter Commuter"** our new state of the art **Mobile Surgical Unit** serving the Athens GA area.

Applicants must have a passion for animal welfare, enjoy serving the underserved, and thrive in a fast paced environment.

Athens Area Humane Society's Registered Veterinary Technicians are responsible for the comfort and safety of all surgical patients in their care, and will be an integral part of our spay/neuter surgery team maintaining our high quality standards and SOPs. We are willing to train a candidate who is a good fit.

Our ideal Registered Veterinary Technician has a personal passion for our mission, is committed to serving the people and pets of Georgia, and is an outstanding communicator. In addition to providing surgical support, our Registered Veterinary Technicians are responsible for educating and sharing medical information with staff, clients and volunteers with compassion and empathy, and for developing professional, friendly, and mutually beneficial relationships with local veterinarians, and for prompting the Athens Area Humane Society and our mission with the community.

We are seeking **Registered Veterinary Technicians** who either have a current license, or are eligible to obtain a license to practice veterinary technology in Georgia. Experience in a high volume spay/neuter is desirable, however training is available for candidates with a strong desire and aptitude and who demonstrate outstanding culture fit.

Salary is competitive based on experience.

Interested?

There's a chance you may be our ideal Registered Veterinary Technician if you meet the description above, and if:

- Serving the underserved has always been important to you and you take action to show it-volunteering, donating, and generally "walking the walk"
- You are happiest working in a team environment with others who share your passion and commitment to quality
- You love a fast-paced, busy clinic, and are always looking out for the next thing that needs to be done
- You don't take life (or yourself) too seriously and can find the humor in almost any situation

To Apply

Please send your resume and cover letter to:
