President's Report

July 2024

The weather has given us a lot of wind and it rained 18 days during the month of June. Despite the weather, June was busy with lots of Corvette-related events.

We had a net profit of about \$1,200 from our DreamVettes and All GM Show. Not bad considering the weather.

Thank you to Brian and Linda for hosting a barbecue. It was a fun afternoon with lots of eating!

Hopefully July's weather will be better for us. It will be another fun-filled month with many events to drive our Corvettes to.

The July General Meeting will be held at the Royal Ashburn Golf Club. The parking is perfect for our Corvettes there and we have a separate room, which is nice. We continue to check out other venues for future meetings. Please let me know of any recommendations you have of locations that would be suitable for our group.

You are encouraged to get involved with helping to plan and/or organize events for the club. We are interested in learning about new ideas for activities. Think about volunteering your time.

Social Event News.....

Summer is upon us - finally! June was a great month for Corvette Events and it looks like July is going to be great too.

Rolling Grape Cruise

Saturday, July 13 John & Judy will be taking us on a cruise to Cowan's Bay area and ending up at the Rolling Grape Winery in Bailieboro. This is going to be an all day event. Details of the time and meeting place will be sent out as soon as possible but please let me know if you intend on attending.

Picton Barbecue

We will be going to Frank & Joanne's beautiful home in Picton. We are planning for Saturday, July 27th but if it rains we will go on Sunday. This is always a fantastic event - especially with all the wonderful cooks and bakers in our club (and shoppers, like me, for pop & chips)! I will send out an email closer to the date asking if you are attending and what you bringing to the table!

August Mystery Tour

There will be a Mystery Tour in mid-August. Minimal details will be sent out closer to the date but it will be in mid-August so it won't interfere with AutoFest or the National Corvette Museum Anniversary event.

Chili Cook-off

Don't forget to plan for my Chili Cook-off in September. So far, only guys have offered to submit their Chili and take me on. Details of date and time will be provided soon.

In the meantime - check you emails for "spur of the moment events". And

Strierner BBQ

Barbecue Social

Brian and Linda graciously welcomed the club members to their lovely home. It was a well-attended event with lots of Corvettes lining the driveway.

The highlight of the afternoon was the delicious fresh pizza made by John and Judy. Each pizza was different from the one before, with a variety of toppings being selected by the chefs. Brian and Don made excellent waiters, ensuring everyone received their share of the yummy pizzas.

Brian barbecued. There were a great many salads to sample and even more desserts. We have excellent chefs in Corvettes of Durham!

Husband: You are negative.

Wife: And you are stubborn, arrogant, a low life, care about no one but yourself and your friends, all you are interested in is your own self, all your life not fulfilled even one of your promises. It is only I who is putting up with such a miser and insensitive man. You good for nothing, fat, ugly man. Even your hair transplant failed.

Husband: I was just informing you that your Covid test is negative.
