

Meeting called to order by Bizz, also leading the pledge of allegiance and a moment of silence for our troops. Treasurer report read and approved by Shelia and Bizz. We had the pleasure of meeting Dana and Debra Region 22 members for the first time at our January meeting. Thank you for attending and hope to see you at further meetings! We discussed the seminar and some of changes this year. We also discussed SB 528. Our meeting was short and sweet. Because of weather conditions last month, we were unable to have our meeting and Christmas party, so we are going to make up for it this month. Hope everyone had a Merry Christmas and a Happy New Year. We hope to see more Region 22 members attending our meetings!!! We need all the support we can get in our region!! We welcome any ABATE members... please help us fight this fight together as one!!!! Hope to see you at the seminar. Meeting adjourned by Bizz and Connie. Thanks Shelia
