Take a look at this beautiful loved & well cared for stately home, walkable to downtown.

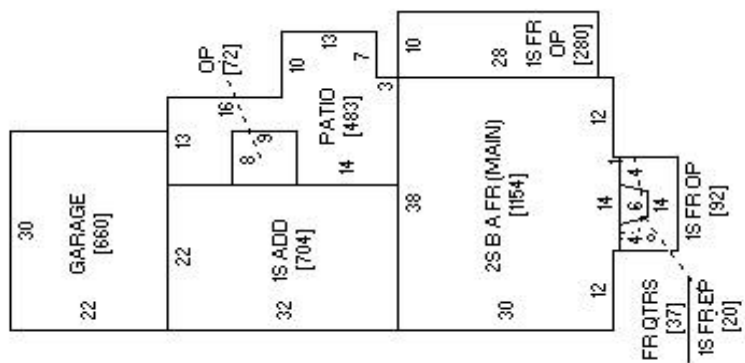

This has been in the same family since 1965 and then a profitable Airbnb for 17 months by another family member.

In 2014 it went through a major renovation to tear down old gar. & add new spacious garage, back entry/mud room/ laundry room & primary BR w/walk in closet & custom tile bathroom with heated floors & dbl shower w/bench.

Heated floors are where tile is in the new part. All curtains & blinds will stay.

This has all the original charm the rest of the house has and ready for a new family to move in & love it even more.

This age in place reno was over \$250,000.00 with all finishing materials at cost.
