New Business

Discussion and/or action regarding the Town Manager recruitment process: Mayor Montoya reported that he had been assigned the task to contact the remaining 5 top candidates from the most recent Town Manager applicant pool from which Ms. Ruder was selected, to inquire if these any of these applicants might still be interested in pursuing the position. Mayor Montoya reported that Mr. Rudy Perez was the only applicant still interested for further consideration for the position. The remaining four had all accepted other employment opportunities.

Council member West suggested that Council consider extending the current applicant pool to include those individuals who were ranked as part of the top 11 original applicants. With the exclusion of Ms. Ruder and the four applicants already contacted and have found other employment, the remaining 6 applicants should be contacted. However, he did suggest that a minimum of three candidates should accept moving forward in the process in order to be viable candidates.

Council member B. Waddell Reyes made a motion to contact the remaining applicants from the original top 11 candidates to inquire if they are still interested in pursuing the position. There should be a minimum 3 candidates interested in order to move forward otherwise the recruitment process will have to be advertised. Second to the motion was made by Council member Laura Dorrell.
