

We are honored to celebrate Women's History Week here at H2Ocean March 24 ~ 31. A portion of the proceeds from each night during Happy Hour will go to "Dress for Success." <https://morriscounty.dressforsuccess.org/>

I've been so fortunate to meet many strong, fierce, courageous, compassionate & beautiful women at H2O that empowered me to smile during the long nights here. These wonderful & resilient women lifted my soul when the long days & nights were speckled with obstacles & hurdles. I've been blessed to see these STRONG women hurt, but they've still extended their hearts, hands & spirit to help me succeed in a business that is grueling, grinding, exhilarating & unforgiving at times, however, as we all know; A successful woman is one who can build a foundation with the bricks others have thrown at her! So keep throwing! I'll just keep ducking & building, one brick at a time! Luckily there's enough wine here!

The mission of Dress for Success is to promote the economic independence of disadvantaged women by providing professional attire, a network of support, & career development tools to help women thrive in work and in life. A world where women do not live in poverty, but, strive for a world where all women are financially independent, are treated with dignity & respect & are directly impacting their lives & those of their families. To aspire a world that fully harnesses the power of women & recognizes their role in economic sustainability. Dress for Success provides each client with professional attire to secure employment. Besides physically equipping the client with apparel & accessories, their programs furnish her with a confidence that she carries forever & the knowledge that she can actively define her life, the direction she takes & what success means to her. Dress for Success is part of a global movement for change, empowering women to obtain safer and better futures.
