Board Position Report

2017-2018 School Year

Board Position: Curriculum Committee Member

Chair Name: Carol Currie

Phone: 312-464-7080

E-mail: carolcurrie@bjorkgroup.com

Your position – describe the duties of your job and when each should be done (what month). If you are very busy during one time period and not others, please specify (for example, Membership is busiest at the start of the school year):

The job of a Curriculum Committee member consists almost entirely of attending Curriculum meetings at GBN. Ed Solis runs the meetings and the committee is made up mostly of teachers. You are there to listen and give the parent perspective of the issues being discussed. The most important part of the position, however, is to bring notes of the meeting back and report them to the P.A. members at P.A. meetings.

Please provide comments or suggestions to make this job run smoothly:

Show up, be polite, do not bring your own agenda to the meeting.

If you oversee a committee, how many committee members helped you this year?

One or two people from the Parents' Association can be on this committee but it is best, for consistency, to have one person attend all of the meetings. Topics do carry over from one meeting to the next so it would be challenging to attend them only sporadically.

Do you think this was the right number? Explain why more or fewer might be needed in the future:

One person who can attend all of the meetings would be ideal.

What was the budget for your committee? Was this amount too much / not enough / just right? Explain:

No budget / no cost involved.

What is your RECOMMENDED budget for next year?

n/a

Did you regularly need to purchase items for your committee?
Please list here:

None.

Please provide a list of contacts for your committee including contact names, phone numbers and e-mail addresses if you have them.

Ed Solis can be found in the GBN directory on-line but his email is esolis@glenbrook225.org

Thank you!
