Dear Board Members - According to **CGS § 47-250(b)(9)**, instead of noticing and holding a meeting according to the Association's Bylaws, the Board of Directors may act by two-thirds consent as documented in a record authenticated by all Board Members, and the Secretary or designated agent must promptly give notice to all unit owners of any action taken in this manner.

With that said, I would like to bring the following matter to a vote of the Board of Directors:

MATTER TO VOTE

1. Execution of the attached Midtown Towing Contract; which states **"All cars that are not parked in a parking spot and /or the fire lane shall be towed for unauthorized parking at the owner's expense. Cars that do not get claimed after 15 Days from the date of tow will result in a 600.00 plus tax charge to the property owner. The property owner is responsible for looking into the vehicles before they are towed to conclude if they are possible abandoned cars that will not be getting claimed."**

2. Ordering two (2) signs and posts at a per cost of \$42.00 to be displayed on the property.

Please respond with **YES** or **NO** only, by Monday, October 6th, regarding approval to enter into a formal contract with **MIDTOWN TOWING** and to proceed with ordering the signs and posts as recommended by County Management Services. **To start the voting process I vote YES.**

Thank you.
