

CONFIDENTIAL TALL TIMBER CAMPERSHIP APPLICATION

I would like to apply to FPC of Snohomish for a Tall Timber campership for 1/3 of the cost of camp. (Northwest Coast Presbytery has scholarships available for an additional 1/3. Request Presbytery Scholarship though Tall Timber Ranch)

Camper Name: _____

Address: _____

City, State, Zip: _____

Phone #: _____ Camp Applying for: _____

Dates of Camp: _____ *Cost of Camp at time of registering: \$ _____

*(There are early-bird discounts! Help us all out and register early ☺)

If you have additional need, the Presbytery office will issue a limited number of matching need based 1/3 scholarships to attend camp. To register for this additional scholarship indicate that you would like the scholarship during online registration for camp. Please fill out the Tall Timber Campership form (also found on our website ~ www.snopres.org) and turn in to the office with this FPCS Campership form and note your desire below.

It is up to you as a parent/guardian to apply for these scholarships in advance of the camp you wish to attend. If you have not done so you will be asked to pay what you have not applied for upon registration at Tall Timber. We dearly want every child to be able to attend camp no matter what, so please do what you need to do to make that financially possible.

If you have already applied to FPC and NWCP (thus covering 2/3 of the cost of camp) and are still unable to cover the remaining 1/3 yourself, please email: Liz Hanlon at office@snopres.org. Our first priority is to make sure your child makes it to camp!
