Tide should be perfect!

The Surf should be perfect for a club beach event. Meet at Fin's Restaurant in Grover Beach (25 W Grand), parking at the end of Grand Ave. Plenty of room for trailers and staging, especially on the east side of the lot. Walk in hand with your equine and/or drive, your choice. Low tide is at 10:12 AM, which will be preceded by a very high tide making the footing firm. The beach should be wide with plenty of time before high tide.

RSVP a must.
