

# Sew Fun! Sewing School

Sewing is a creative way to build/develop: patience, focus, problem solving and self-confidence.

## Sewing Class Descriptions

### Sewing Year 1-4: 2<sup>nd</sup> - 5th Grade (Pre-Requisite: None)

Classes are designed for the beginner as well as students with some sewing experience. Students will learn sewing machine parts/functions, how to layout, read and understand basic patterns. Students will also learn how to properly pin and cut fabric, and how to straight stitch and zigzag. Lessons will start with our *sew fun! Sewing School- Beginners* and/or *sew fun! Sewing School- Teens Workbooks* and progress until the student is ready to use *sew fun! Sewing School- Crafts Workbook* and/or commercial patterns. All students are encouraged to complete sewing projects at their own pace.

**Tuition:** \$75.00; **SFSS Workbook:** \$40; **Registration Fee:** \$20 (sewing tools/supplies used during class- scissors, seam gauges, rulers, straight pins, needles, marking pencils, interfacing, etc.)

### Teen Sewing Year 1-4: 6<sup>th</sup> - 12<sup>th</sup> Grade (Pre-Requisite: None)

Classes are designed for the beginner as well as students with some sewing experience. Students will learn sewing machine parts/functions, how to layout, read and understand basic patterns. Students will also learn how to properly pin and cut fabric, and how to straight stitch and zigzag. Lessons will start with our *Sew Fun! TM Sewing School Workbook* and progress to commercial patterns selected by the teacher. Students will develop sewing skills while completing sewing projects at their own pace.

**Tuition:** \$75.00; **SFSS Workbook/Pattern:** \$35; **Registration Fee:** \$20 (sewing tools/supplies used during class- scissors, seam gauges, rulers, straight pins, needles, marking pencils, interfacing, etc.)

### Adult Sewing: 18 and up (Pre-Requisite: None)

Classes are designed for the beginner as well as students with some sewing experience. Students will learn sewing machine parts/functions, how to layout, read and understand basic patterns. Depending on the class projects, additional skills taught may include: how to take measurements, read a pattern envelope to determine your pattern size and how to read pattern instructions to cut and construct a sewing project.

**Tuition:** \$75.00; **SFSS Patterns:** \$10.00; **Registration Fee:** \$20 (sewing tools/supplies used during class- scissors, seam gauges, rulers, straight pins, needles, marking pencils, interfacing, etc.)
