Expanding Imaginations 5th Year Anniversary

We are so excited to announce our 5th year of supporting families in Calgary. We feel honored knowing that your families choose us to share in your lives and allow us to care your children.

Please take the time to celebrate with us here at Expanding Imaginations Friday April 20th, 2018 between 5:30 PM and 7:30 PM. Learn with Butterfield Acres petting zoo, listen live to Mr Rayz as he plays your children's favorite tunes, sing and dance at our HOP for Muscular Dystrophy Soc-Hop, and enjoy BBQ, refreshments and cake.

Butterfield Acres Farm
...the REAL Farm Experience!

What a wonderful year we have had and we look forward to many more years to come!

See you here at our centre Friday April 20th

*This is a free family event, but we hope your families will donate \$10 - \$20 to help support Muscular Dystrophy Canada. *
