

65TH MTFCI ANNUAL MEMBERSHIP MEETING

JANUARY 18-19, 2019 | HERNDON, VIRGINIA

The MTFCI Board of Directors invites you to the Nation's Capital to join in a weekend of fellowship with Model T friends for the 65th MTFCI Annual Membership Meeting.

Registration will take place Friday afternoon in the hotel lobby, with dinner on your own. Weather permitting, the Connecticut-Copperthite Pie Truck, featured in the Jan/Feb 2017 issue of the *Model T Times*, will be on display at the hotel.

Saturday's agenda includes a six-hour bus outing with stops at several sites of interest in the Washington, DC, area. A special highlight is a tour of the restoration shop and conservation lab at the Smithsonian National Air and Space Museum's Steven F. Udvar-Hazy Center, led by Chief Curator, and MTFCI member, Dr. Peter Jakab.

Following the Saturday evening banquet and membership meeting, the Rising Family will share their experiences from a recent cross-country journey in their 1910 and 1911 Model T's. To get a head start on learning about their adventure, *California to Virginia by Model T*, check out their blog at ca2vabyt.com. Their presentation is sure to be one you don't want to miss!
