Mayor called meeting to order at 8:30 am. He noted that because the meeting and agenda were not properly noticed, no decisions on referrals would be made.

However, he wanted to ask about scheduling conflict. Reparations committee also meets on Thursdays at 9:00 am. Could the Referrals committee – which needs to meet soon – meet next Tuesday, April 26, at 8:30 am., virtually? Everyone agreed. Then the Mayor said they would meet on the fourth and second Tuesday of the month at 8:30 am (April 26 and May 10).

The meeting adjourned at 8:40 am.
