II. ADMISSIONS AND ATTENDANCE

2.1 ADMISSION

For information concerning enrollment or the lottery process, please refer to the Admission Section of our CORAL COMMUNITY CHARTER SCHOOL website www.coralcharter.com. CORAL COMMUNITY CHARTER SCHOOL does not discriminate against any student based on race, gender, religious affiliation, national origin, ethnicity, physical or mental disability, or sexual orientation. The Coral Community Charter School is nonsectarian in its programs, admission policies, and employment practices.

2.2 REGISTRATION/ENROLLMENT Registration is completed or updated each year to ensure that all information is current on each student. All the following information is to be completed as part of the enrollment process. Failure to provide the required information may delay or result in a student not being officially enrolled at CORAL COMMUNITY CHARTER SCHOOL, jeopardizing his/her place at our charter school where space is limited. Consequently, at the time of enrollment please provide the following completed forms:

- enrollment forms
- emergency information forms
- health/medical consent forms

- immunization records
- free and reduced lunch forms (if applicable)
- copy of birth certificate
- custody orders (if applicable)
- Early Dismissal Release form
- Home Language Survey

Please note that according to state law, all students must be in compliance with state immunization requirements, be in the process of receiving the immunization series, or meet exemption criteria before starting Coral Community Charter School. Exemptions are permitted for medical reasons or due to the conscientiously held beliefs of the parent/guardian. Proof of an exemption must be provided in lieu of immunizations records to be allowed to enroll.

Once all applicable forms are completed and returned to Coral Community Charter School, your student's registration will be deemed completed and you will be notified if he/she is officially enrolled. Please contact the office as soon as possible with any change of address, contact information, emergency information, custody modification orders or phone numbers.

2.3 HOME LANGUAGE SURVEY

Each student entering CORAL COMMUNITY CHARTER SCHOOL for the first time must complete a Home Language Survey. The survey form, which has three (3) questions to be answered concerning the student's language, is a part of the enrollment packet. If a student answers "yes" to any one of the three questions on the survey, the Coral Community Charter School will assess the student's English proficiency to determine eligibility for services. Please contact Coral Community Charter School's principal for more information on the English Language Learner program at CORAL COMMUNITY CHARTER SCHOOL.

2.4 PARENT CUSTODY

When parents are separated or divorced, it is recommended that the Coral Community Charter School have a signed and certified court order defining custody and visitation rights. When parents share custody, i.e. have "joint custody," each parent has the right to access and to receive copies of Coral Community Charter School records and information, to attend conferences, and to be informed about the student's welfare, educational progress, and status.

The custodial parent(s) are responsible for:

- providing a copy of the signed and certified court order to Coral Community Charter School; and
- providing Coral Community Charter School with any revisions/updates to the court order that affect custody, visitation, or student record-access rights.

Coral Community Charter School is responsible to:

- maintain a copy of the relevant sections of the court order;
- inform appropriate Coral Community Charter School personnel of the provisions or restrictions in the court order; and
- abide by the provisions and/or restrictions ordered, and the non-custodial parents requests that are consistent with the order.

Coral Community Charter School is not required to hold a separate conference for each parent. Please be sure that the Coral Community Charter School has appropriate contact information for both parents to ensure consistent communications. Unless prohibited by a certified court order, **and upon request**, Coral Community Charter School will:

- send duplicate correspondence to the non-custodial parent **or both custodial parents**;
- arrange for review of Coral Community Charter School records by the non-custodial parents;
- keep non-custodial parents apprised of major Coral Community Charter School events.

2.5 CHANGE OF CONTACT INFORMATION

It is most important that parents notify the school immediately of any change in their contact information including their physical address, telephone number (s) and email address. Unlisted numbers will be held in confidence when requested.

2.6 ATTENDANCE

CORAL COMMUNITY CHARTER SCHOOL students are expected to arrive on time 8:00 am and adequately prepared for their day. If your student is absent or late, please contact Coral Community Charter School at (505) 292-6725. If your student is late (all arrivals after 8:00AM, he/she will need to be escorted into the front office and signed in. While regular attendance is required, SICK STUDENTS SHOULD REMAIN AT HOME.

2.7 COMPULSORY ATTENDANCE POLICY

CORAL COMMUNITY CHARTER SCHOOL is committed (and legally obligated) to enforce the New Mexico Compulsory Coral Community Charter School Attendance Law. The following attendance requirements are consistent with a student's obligation to attend and a parent/guardian's obligation to ensure that their student attends School. CORAL COMMUNITY CHARTER SCHOOL hopes that every parent will consider regular and timely attendance to be imperative to their student's educational success.

2.7.01 Excused Absences - A parent/guardian must provide notice of an excused absence by phone or a signed written note describing one of the reasons listed below. The Principal shall in his/her sole discretion determine whether there is a sufficient basis to excuse the absence. Whenever possible, notification of a student's absence should be given prior to missing school. However, when the circumstances dictate, the information concerning a student's absence should be provided as soon after the missed day as possible. Failure to advise the school's

attendance clerk in writing or by a telephone within two days of a student's absence will result in an "unexcused absence." Absences will only be excused for the following reasons:

- * Doctors' appointment
- * Religious commitment
- * Family emergency
- * Illness
- * Death in the family
- * Diagnostic testing
- * Extenuating circumstances

Absences due to extenuating circumstances may be excused by the Principal. The Principal may request additional documentation to substantiate an "excuse" for an absence at his/her discretion.

PLEASE CONTACT CORAL COMMUNITY CHARTER SCHOOL OFFICE AT (505)292-6725 TO NOTIFY US OF YOUR STUDENT'S ABSENCE.

2.7.02 *Makeup Assignment* -Assignments missed due to excused absences must be made up by the student. The student is responsible for obtaining his/her assignments from his/her teacher and completing it within the time frame determined by the teacher.

2.7.03 *Unexcused Absences* -Unexcused absences will be tracked for purposes of determining whether a student's attendance complies with the Compulsory Coral Community Charter School Attendance Law, NMSA 1978 §§22-12-1, et seq. An "unexcused absence" means an absence from Coral Community Charter School or classes for which the student does not have an allowable excuse as determined by the rules of the CORAL COMMUNITY CHARTER SCHOOL Governing Council. Unexcused absences of two or more classes up to fifty percent of an instructional day shall be counted as one-half day absence, and the unexcused absence of more than fifty percent of an instructional day shall be counted as one full-day absence. CORAL COMMUNITY CHARTER SCHOOL rules provide that a student's absence will be recorded as "unexcused" for the following reasons.

- * Tardy for Coral Community Charter School more than 15 minutes
- * If pre-registered, not showing up for first day of Coral Community Charter School
- * Leaving Coral Community Charter School for non-Coral Community Charter School sponsored trips
- * Absences related to custodial parent changes
- * Trips to other countries for non-Coral Community Charter School related legal problems
- * Lack of transportation to or from Coral Community Charter School
- * Family vacations outside of scheduled Coral Community Charter School breaks
- * Any other absence for which the Principal deems the reason insufficient

2.7.04 Students in Need of Early Intervention -A student will be deemed “a student in need of intervention” if he or she accumulates five unexcused absences within a Coral Community Charter School year.

2.7.05 Habitual truant - A student is “habitually truant” if he/she accumulates 10 or more unexcused absences in a Coral Community Charter School year.

2.7.06 Notification and Cooperation - CORAL COMMUNITY CHARTER SCHOOL will attempt to identify early on when there is a problem with a student’s regular attendance and to assist when feasible both the student and his/her parent/guardian to improve attendance.

Steps:

#1. After five unexcused absences: If a student is in need of early intervention, CORAL COMMUNITY CHARTER SCHOOL shall contact the student’s parent(s)/guardians(s) to inform them that the student has unexcused absences from Coral Community Charter School and to discuss possible interventions unless after the Coral Community Charter School’s contact, the parent(s)/guardian(s) provide an acceptable explanation for the absence and the excuse compiles with Coral Community Charter School’s attendance policy. If after the initial contact the student’s absences are not deemed excused, a representative of Coral Community Charter School shall meet with the student in need of early intervention and his/her parent(s)/guardian(s) to identify the causes for the student’s unexcused absences, identify what actions can be taken that might prevent the student’s unexcused absences, identify possible Coral Community Charter School and community resources to address the causes for the student’s unexcused absences, and establish a corrective action plan to address the student’s unexcused absences.

#2. After ten unexcused absences: If the student is a habitual truant, Coral Community Charter School shall give written notice of the habitual truancy by mail to or by personal service on the student’s parent(s)/guardian(s). The notice shall include a date, time and place for the parent to meet with Coral Community Charter School to develop intervention strategies that focus on keeping the student in an educational setting. If there is another unexcused absence after delivery of a written notice of habitual truancy, the student shall within seven (7) days of this unexcused absence be reported to the probation services of the judicial district where the student resides.

2.8 LEAVING CORAL COMMUNITY CHARTER SCHOOL BEFORE DAY’S END

A student is not permitted to leave Coral Community Charter School grounds before regular dismissal, without a parent/guardian checking them out, in person, through the office. Parents are to come directly to the office, sign their student out, and the student will be called from the classroom. Unless authorized by administrative staff, parents should wait for their student in the office. No one may check your student out of Coral Community Charter School unless they are listed on the registration card or you

have notified us, in writing, prior to the dismissal. Parents are strongly encouraged to schedule doctor and dentist appointments after 3:15pm.

2.9 DROP OFF AND PICK UP

BEFORE SCHOOL STUDENT DROP-OFF – 7:50 AM –8:00 AM

(STUDENTS ARRIVING AFTER 8:00am MUST BE BROUGHT TO THE OFFICE AND SIGNED IN)

2.10 EXTENDED CARE

Extended Care will be provided at CORAL COMMUNITY CHARTER SCHOOL from 7:30am until 8:00am. After-care is provided from 3:15 - 4:30pm for a minimal charge. If an emergency occurs and you are unable to pick your student by 4:30pm, please contact our office as soon as possible. Abuse of this policy will not be tolerated. Proper authorities may be contacted after repeated instances of failing to timely pickup students from Extended Care, or if a parent/guardian does not pick up their student/students until after office hours.

Late charges will be applied.

2.11 ABBREVIATED (DUE TO WEATHER) DAY

2.11.01 Notice - CORAL COMMUNITY CHARTER SCHOOL will follow the Albuquerque Public Schools' schedule on days where weather prevents Coral Community Charter School from beginning on time or where an early release is ordered. Parents should stay tuned to the available news media on days of inclement weather. If weather conditions worsen during the day and authorities direct that Coral Community Charter School close early, CORAL COMMUNITY CHARTER SCHOOL will notify parents by phone or other means of communication to come pick up their student(s).

2.11.02 Early Dismissal - The following emergency procedures will be followed at CORAL COMMUNITY CHARTER SCHOOL in the event of early dismissal due to inclement weather or other unforeseen event which necessitates closing the Coral Community Charter School early:

- Parents will be notified by phone and through the local media that students will be dismissed early.
- We will keep students at a safe place at Coral Community Charter School site until parents or their listed designee arrives for them, i.e., relative, friend, etc.
- If the parent cannot be reached, the designee will be contacted at the emergency telephone number listed on the enrollment card.
- If we are unable to contact anyone listed on the enrollment card, we will refer to the information requested on the attached Early Dismissal Release Form.
- Teachers will request identification of any person they do not recognize as the parent or designee before releasing the student.

It is important to realize that under some emergency situations, it may not be possible to notify everyone by telephone, but we will do our very best with your cooperation. Your assistance is necessary in order to have a safe and orderly dismissal.

III. CORAL COMMUNITY CHARTER SCHOOL HEALTH

3.1 ILLNESSES/CONTAGIOUS DISEASES. For the protection of all students, your student should be kept at home if he/she has any of the following symptoms: fever, diarrhea, vomiting, a rash, nasal discharge, or discharge from the eyes or ears. Parents should exercise every caution and keep their student home should other unusual symptoms occur. If a student becomes ill while at Coral Community Charter School, a parent will be called to pick up the student immediately.

If your student has been exposed to a contagious disease, he/she should be kept at home and the occurrence of his/her condition should be reported to school immediately. Chicken pox, ear infections, giardia, hepatitis, measles, mumps, scarlet fever, strep, and viral infections are among those conditions categorized as "highly contagious".

3.2 MEDICATIONS POLICY. Diagnosis, treatment of illness, or prescribing drugs and medications are never responsibilities of a Coral Community Charter School and should not be practiced by any Coral Community Charter School personnel. Coral Community Charter School personnel will dispense only medications that have been prescribed by a physician. When possible, medication doses should be given at home to avoid interruptions in the school day. If medication is needed during the school day, the policy is as follows:

- *Inform.* Parents/guardians must inform the nurse or administrator when a pupil requires medications during the school day. Students observed by Coral Community Charter School personnel self-administering unauthorized medications shall be reported to their parents/guardians.

- *Written Permission.* A written statement is required from the parent/guardian and physician authorizing the administration of all medications and releasing Coral Community Charter School personnel from liability should reactions result from the medication. The written statement must include the student's name, diagnosis, name of medication, dose, time to be given, and signatures of parent/guardian and physician. Forms are available from the office.

- *Labeled Containers.* Medication must be provided in pharmacy labeled containers that indicate pharmacy name and telephone number, student's name, physician, name and dosage of medication. The dispensing pharmacy must split medication into duplicate bottles if it is necessary to give medication during Coral Community Charter School hours. One bottle will be kept at home and the other

at Coral Community Charter School under the care of Coral Community Charter School authorities.

➤ *Administration.* A nurse will administer prescribed medication. In the absence of the nurse, the medication will be dispensed by an administrator or the licensed Health Assistant. Students will be allowed to carry and self-administer medications only with a physician's and parent's written permission, in cases of potential emergency (See additional requirement below).

➤ *Doctor's Orders.* Tylenol or other over-the-counter medicines will be administered to students only with a physician's written order in addition to the parent authorization as required above. Such over-the counter medication must be in the original container. Again, parents are urged to administer such medication at home when possible.

➤ *Disposal.* When the medication is no longer needed, it will be returned to the parent or guardian, or destroyed. Medications requiring refrigeration will be kept in a closed and clearly identified container in the refrigerator.

PLEASE DO NOT SEND COUGH DROPS IN YOUR STUDENT'S POCKETS, BACKPACK, OR LUNCH BOX. THESE ARE CONSIDERED MEDICATIONS AND ARE TO BE TREATED AS OUTLINED ABOVE.

3.3 SELF-ADMINISTRATION OF CERTAIN DRUGS. Students will be allowed to carry and self-administer asthma medication, emergency anaphylaxis medication, and/or equipment and supplies for storage and disposal of sharps for self-assessment and for self-administration of diabetes treatment medications, if it has been legally prescribed to the student by a health care provider under the following circumstances:

1. The health care provider has instructed the student in the correct and responsible use of the medication;

2. The student has demonstrated to the health care provider and the Coral Community Charter School nurse or other Coral Community Charter School officials the skill level necessary to use the medication and any device that is necessary to administer the medication as prescribed;

3. The Coral Community Charter School nurse or health care provider, with input from the parent or guardian and based on the student's health care practitioner's medical orders, has formulated a written treatment plan for managing the student's care and for medication use by the student during Coral Community Charter School hours or Coral Community Charter School-sponsored activities, including transit to or from Coral Community Charter School or Coral Community Charter School-sponsored activities; and

4. The student's parent has completed and submitted to Coral Community Charter School any written documentation required Coral Community Charter School, including the treatment plan required in paragraph (3) above and a statement relieving Coral Community Charter School and its employees and agents from liability arising from the performance the student's self-administration, carrying or storage of medication, supplies and medication-administration equipment.

The parent of a student who is allowed to carry and self-administer asthma medication, emergency anaphylaxis medication, or diabetes medication/equipment may provide Coral Community Charter School with backup medication and equipment that shall be kept in a location to which the student has immediate access in the event of an asthma, anaphylaxis or diabetes emergency.

CORAL COMMUNITY CHARTER SCHOOL SHALL NOT BE LIABLE AS A RESULT OF ANY INJURY ARISING FROM THE PERFORMANCE OF SELF-ASSESSMENT PROCEDURES AND THE SELF-ADMINISTRATION OF MEDICATION NOR FROM ANY INJURY ARISING FROM THE STUDENT CARRYING AND, IF APPLICABLE, DISPOSING OF THE MEDICATION OR SUPPLIES NEED TO ADMINISTER MEDICATIONS.

3.4 MEDICAL SITUATIONS AND EMERGENCIES

➤ *Emergencies.* In the event of a medical emergency or an accident, we will first attempt to contact the parent/guardian or the doctor of the student, unless CORAL COMMUNITY CHARTER SCHOOL determines that the circumstances merit contacting 911 for emergency response. After 911 is called, CORAL COMMUNITY CHARTER SCHOOL will make every effort to reach the student's parent/guardian, or other emergency contact prior to treatment, however, this may not always be possible. For this reason it is absolutely necessary that all contact information on the "Permission for Medical Attention" be completed and kept current.

➤ *Staff Aid.* Should first aid be needed, a first aid-certified staff member or other person assigned to take care of a particular situation will administer first aid or give instructions for proper care. All staff members will follow these instructions carefully.

➤ *Incidents at Coral Community Charter School/Reports Home.* Health office visits will be charted describing the nature of health office visits will be sent home with students. Minor accidents (e.g., bruises, scratches, bumps, cuts, scrapes, etc.), which can be taken care of by staff members, will be attended to immediately. The staff member will document the accident on an "Accident Report" form. The staff member will sign the form and submit it to a Coral Community Charter School administrator for review and signature. A copy will be placed in the parent's file and in the student's file. Parents will be notified of any situation that involves trauma to the head

➤ *Accidental Poisoning.* In the case of poisoning, the staff member will call Poison Control immediately and follow their instructions carefully. Parents will be notified and an "Accident Report" written. A first aid kit is readily available and all emergency numbers are posted.

3.5 EXCUSE FROM PHYSICAL EDUCATION

Please send a request to the teacher if your student needs to be excused from physical education. Written instructions are required from the student's physician if the student is to be excused for more than two days, and must include a re-entry date.

Principal who shall seek the freely offered consent of the student to the inspection. Search of a student's person, will involve, at most, a "pat down" of the student's outer clothing. Whenever possible, search of a student's person will be conducted by the Principal in the presence of the student's parent and a staff member other than the Principal. Reports may be made to those identified above.

4.11 CLASSROOM RULES

Individual classrooms have additional rules and consequences that will be reviewed with your student by the classroom teacher.

4.12 CONSEQUENCES

Students have certain rights, but also have the responsibility to respect the rights and property of others. If a student fails to do this, disciplinary action will follow. Disciplinary consequences may be imposed by the Principal, in addition to consequences developed by the classroom teacher, for violations of Coral Community Charter School rules. The Principal has the right to impose discipline in his/her reasonable discretion, in accordance with the circumstances presented. Some of the potential consequences include:

- Principal referral. Students who choose to disobey rules will be sent to meet with the Principal to discuss the behavior. An Incident Report will be sent to the parent/guardian. The parents are to sign and return the copy of the slip with the student on the day after it was received. Depending upon the infraction, an additional consequence may be applied at the Principal's discretion.
- Parent meeting. When deemed necessary by the Principal, or when a student receives his/her 3rd referral, parents will be contacted by the Principal so that arrangements may be made for the student to meet with the Principal, Classroom Teacher, his/her Parents/Guardians and any other appropriate staff to discuss the referrals and develop a plan/contract.
- Student Assistance Team. Additional referrals will result in a referral to the Student Assistant Team to discuss other possible interventions such as a behavior management program, additional participation in the "Social Skills" program, a mentorship, screenings or evaluations, or other disciplinary action deemed appropriate by administration.

A progressive discipline continuum provides consequences that range from a warning to suspension or expulsion.

CORAL COMMUNITY CHARTER SCHOOL, along with the cooperation of the student and his/her parent/guardian, seeks to avoid having to impose any stronger measures of discipline than contemplated in Section 4.12 above. The student shall be afforded due process rights including the opportunity to present to the principal/designee his or her defense or position concerning the alleged violation. After the conclusion of the investigation, the Principal designee, upon the basis of all facts and information learned, shall determine if the student committed a conduct violation. If the student is found to have committed a violation, a consequence or suspension may be imposed for a period of time not to exceed 10 days. If a suspension is imposed, the principal imposing the suspension shall keep a record of the aforesaid proceedings. A parent may request an administrative review of the discipline data and decision to suspend. Homework can be provided at the request of the parent. There is no level of appeal higher than the Principal for a suspension of 10 days or less.

4.16 LONG TERM SUSPENSION

A long term suspension is a mandatory absence from Coral Community Charter School for a period exceeding 10 days and up to the balance of the Coral Community Charter School year. If the principal/designee decides that the alleged misconduct is sufficiently serious so that the consequence should be a suspension in excess of 10 days or expulsion, the accused student shall be afforded his or her due process rights. There shall be an investigation to determine if there is sufficient probable cause to charge the student with an act of misconduct, which may result in a suspension in excess of 10 days or an expulsion. When a student is charged by the principal/designee with misconduct which may result in long-term suspension or expulsion, the parent(s) or guardian of the student shall be informed within a reasonable time period by telephone or letter of the charges against the student.

- Nonverbal behavior such as gestures, or graphic written statements.
- Conduct that is physically threatening, harmful, intimidating or humiliating.
- Inappropriate physical restraint.
- Cyber bullying and Cyber stalking as defined above.

4.21.03 Reporting and Complaints - Students and parents may file verbal or written complaints concerning suspected bullying behavior to Coral Community Charter School personnel and administrators. See, "Bullying Complaint Form" attached at the end of the Student & Family Information Book. Students, parents and/or staff should use the following guidelines when reporting bullying.

➤ Any student who believes he/she has been the victim of harassment, intimidation, bullying, or hazing by a student or Coral Community Charter School personnel, or any person with knowledge or belief of such conduct that may constitute harassment, intimidation, bullying, or hazing toward a student should immediately report the alleged acts.

➤ The report may be made to any staff member including a teacher or the Principal. If the complaint is made by a student, to a staff member he or she will assist the student in reporting to the Principal.

➤ Teachers and other Coral Community Charter School staff who witness acts of bullying or receive student reports of bullying are required to promptly notify the Principal. Reports should be made in writing using the Bullying Complaint Form. A copy of this form will be submitted to the Principal.

If a student makes a verbal report to a teacher, the teacher should complete the form or take the student to the Principal where a form will be completed on the student's behalf.

4.21.04 Investigation – The Coral Community Charter School Principal or designee will accept and promptly investigate *all* reports of intimidation, harassment or bullying. The administrator will make every effort to inform the parents/guardians of the victim and the accused of any report of harassment, intimidation, bullying, or hazing prior to the investigation taking place. CORAL COMMUNITY CHARTER SCHOOL administration may take immediate steps to protect the complainant, students, teachers, administrators, or other Coral Community Charter School personnel pending the completion of an investigation.

4.21.05 Process - The investigation shall consist of personal interviews with the complainant, the individual(s) against whom the complaint was filed, and others who may have knowledge of the alleged incident(s) or circumstances giving rise to the complaint. The investigation may also consist of other methods or documents deemed relevant by the investigator.

4.21.06 Confidentiality - The right to confidentiality, both of the complainant and the accused, shall be preserved consistent with applicable laws and to the extent possible. However, CORAL COMMUNITY CHARTER SCHOOL cannot guaranty absolute confidentiality, because it may be necessary to discuss the complaint with others who are witnesses or who may have information about the complaint.

4.21.07 Outcome - The investigation shall be completed as soon as possible. The Principal (or investigator) shall make a written report concerning the bullying. In determining whether the alleged conduct constitutes bullying, the totality of the circumstances, the nature of the conduct, the student's history, and the context in which the alleged conduct occurred will be investigated. The report shall include a

determination of whether the allegations have been substantiated as factual and whether they appear to be violations of this policy. A copy of the completed report will be maintained by the Principal. To the extent permitted under the Family Educational Rights and Privacy Act (FERPA)(to protect the privacy of the student alleged to have committed the bullying) the Principal will notify the parent or guardian making the complaint of the outcome of the investigation. The Principal or designee shall notify the parent or guardian about a determination that their student has committed a verified act of bullying and the consequences for the student's actions.

4.21.08 Consequences - Verified acts of bullying shall result in intervention by the Principal or his/her designee that is intended to ensure that the prohibition against bullying behavior is enforced. While conduct that rises to the level of "bullying" as defined above will generally warrant disciplinary action against the perpetrator of such bullying, whether and to what extent to impose disciplinary action (detention, in and out-of-Coral Community Charter School suspension, expulsion, or other consequences to be determined) is a matter for the professional discretion of the Principal. Certainly, repeated offense will warrant increasingly severe consequences, up to and including expulsion.

4.21.09 Consequences for Knowingly Making False Reports - False charges shall also be regarded as a serious offense and will result in disciplinary action or other appropriate sanctions.

4.21.10 Retaliation - Retaliation against an individual who either orally reports or files a written complaint regarding harassment, intimidation, bullying, or hazing or who participates in or cooperates with an investigation is prohibited.

4.21.11 Anti-Bullying included in Health Education Curriculum. "Health Education" is the instructional program that provides the opportunity to motivate and assist all students to maintain and improve their health, prevent disease, and reduce health related risk behaviors. It allows students to develop and demonstrate increasingly sophisticated health-related knowledge, attitudes, skills, and practices. It meets the content standards with benchmarks and performance standards as set forth in 6.30.2.19 NMAC. Bullying behavior is mentioned specifically in many areas of the Health Education performance standards, in all grade levels. All students need to be aware of bullying behavior throughout their Coral Community Charter School years. It is imperative that students are comfortable with understanding, describing, and recognizing bullying behaviors, and then in the later grades being able to analyze those behaviors and role play refusal skills. Our curriculum does recognize the importance of bully prevention skills in all grade levels.

4.22 ANTI-DISCRIMINATION AND HARASSMENT POLICY

CORAL COMMUNITY CHARTER SCHOOL recognizes that a student has the right to learn in an environment untainted by sexual or other forms of harassment or discrimination. Offensive conduct which has the purpose or effect of unreasonably interfering with learning performance or creating an intimidating, hostile, discriminatory, or offensive learning environment disrupts the educational process and impedes the

legitimate pedagogical concerns of the school community. Sexual and other forms of harassment will not be tolerated.

4.22.01 Sexual Harassment - Sexual harassment includes unwelcome sexual advances, requests for sexual favors, and verbal or physical contacts of a sexual nature whenever submission to or rejection of such conduct results in the denial of or provision of aid, benefits, grades, rewards, employment, faculty assistance, services, or treatment.

4.22.02 Other Forms of Harassment - Other prohibited harassment includes conduct which has the purpose or effect of creating an intimidating, hostile, discriminatory, or offensive learning environment; substantially or unreasonably interfering with an individual's academic performance; or otherwise adversely affects an individual's academic opportunities on the basis of race, color, religious creed, age, sex, national origin or ancestry, mental or physical disability, medical condition, sexual orientation, gender identity and/or any other legally protected characteristic. Students shall at all times refrain from using racial slurs, hate-related nicknames, bullying and any other name-calling or put downs.

4.22.03 Strictly Prohibited - The harassment by a student of a staff member, fellow student of CORAL COMMUNITY CHARTER SCHOOL or third party (e.g. visitor, volunteer, parent, etc.) is strictly forbidden. In all cases, Coral Community Charter School personnel will take immediate action to protect the victim of alleged abuse. Any student who is found to have harassed a staff member, third party, or student will be subject to discipline in accordance with law and the Student/Parent Handbook.

4.22.04 Reporting Violations of Harassment or Discrimination Policy - A student who believes he/she has been a victim of discrimination and/or harassment and any third persons with knowledge of such conduct shall report the alleged act immediately to the Principal. CORAL COMMUNITY CHARTER SCHOOL will respect the privacy of the complainant, the individual(s) against whom the complaint is filed, and the witnesses as much as possible, consistent with the obligation to investigate, to take appropriate disciplinary action, and to conform to any discovery or disclosure obligations.

4.22.05 Investigation and Coral Community Charter School Action - In determining whether alleged conduct constitutes harassment, the totality of the circumstances, the nature of the conduct, and the context in which the alleged conduct occurred will be investigated. A substantiated charge against a student, employee, visitor, vendor or other individual on CORAL COMMUNITY CHARTER SCHOOL premises for harassment shall subject that individual to disciplinary action or other consequences. Disciplinary action may include, but may not be limited to the following: written warning, detention, written reprimand, suspension, and/or expulsion. The severity of the disciplinary action will depend on the frequency, circumstances, and severity of the offense.

4.22.06 Retaliation - CORAL COMMUNITY CHARTER SCHOOL will discipline any individual who retaliates against any person who reports, testifies, assists

or participates in any manner in any investigation, proceeding or hearing related to complaints of harassment or discrimination. Retaliation includes, but is not limited to, any form of intimidation, reprisal, or harassment.

4.22.07 Notification - It shall be the responsibility of the Principal to ensure that all employees and students receive appropriate training related to the implementation of this policy. In addition, students, employees, volunteers, and vendors shall receive appropriate information related to this policy, including the name of designated person to contact to file a complaint and/or receive information related to this policy.

4.23 WEAPONS

State and federal law requires public Coral Community Charter School to expel students for one year for carrying guns, knives, or any items used as weapons. To avoid misunderstanding or unintended consequences, do not bring toy weapons or “look alikes” to Coral Community Charter School. CORAL COMMUNITY CHARTER SCHOOL will report any such violation to the student’s parents AND the appropriate legal authorities.

4.24 DAMAGE BY STUDENTS

Any malicious or willful act which destroys, injures, mars, defaces, or otherwise alters any Coral Community Charter School building, grounds material, equipment, or other Coral Community Charter School property by a student enrolled at CORAL COMMUNITY CHARTER SCHOOL shall cause parent, guardian, or person standing in loco parentis of the offending student to restore or replace such damaged property to the satisfaction of the Principal or be assessed to pay all costs to restore or replace such damaged property as determined by the true value established by the Principal.

4.25 VIOLATION OF STUDENT RIGHTS Students believing their rights have been violated should report their concerns to their parents/guardian or the Principal. If the concern is not resolved by the Principal, a report should be made to the Governing Council using the Parent Concern Policy About Student in Section 5.8 below.

Due to the lack of storage space, clothing items in the Lost and Found may be donated to local charities as often as monthly and definitely at winter and spring breaks.

5.6 PERSONAL PROPERTY

If your student does bring an item to Coral Community Charter School and loses it, he/she may check in the Lost and Found. Coral Community Charter School is not responsible for lost or stolen items. Please remind your student that many personal items are not permitted at Coral Community Charter School and to otherwise leave personal items at home. They can disrupt the learning environment and create safety problems. Also, there is a risk of items being broken, lost or stolen. Students should not bring electronic games. They will be taken from the student and kept in the office until the student's parent/guardian come to the school to retrieve them. It will be up to the parent/guardian to contact the school about the confiscated property.

5.7 PARENTAL CONCERN POLICY ABOUT STUDENTS

CORAL COMMUNITY CHARTER SCHOOL encourages parents/guardians to attempt to resolve unsatisfactory situations concerning their student at the lowest possible level. However, it is recognized that sometimes an intermediary is helpful for both sides to move beyond an impasse. Therefore, the following policy is provided for

resolving situations that are **not otherwise covered by formal dispute resolutions process** (e.g. student suspensions, special education matters or discrimination/harassment complaints).

Step 1. Speak and/or meet with the person (teacher, staff, or administrator) with whom there is a concern.

Step 2. If a resolution cannot be reached at this level, then the parent or guardian may contact the person's supervisor (likely the Principal) and request a meeting with the Principal and the other CORAL COMMUNITY CHARTER SCHOOL employee with whom there is a disagreement. (If it is the principal with whom there is a disagreement, then move to Step 3.)

Step 3. If a resolution cannot be reached at Level 2, or the issue is with the Principal, then the parent/guardian should submit a written complaint to the Governing Council President requesting a meeting with the Governing Council or its designated committee in closed session. Note - matters concerning a student or employee dispute will not be addressed in an open meeting, unless specifically requested by the parent in writing.

The Governing Council or designated committee will schedule a meeting with the parent/guardian and all CORAL COMMUNITY CHARTER SCHOOL employees concerned as soon as practical after the complaint is received by the President. The Governing Council may designate a committee to hear and issue a decision regarding the concern. The Governing Council or its designated committee will be the final step in process to address the concern. Consideration of student matters shall be conducted in closed session. When reaching its decision the Governing Council or its designated committee will take into consideration the best interest of the student and the mission, goals and policies of CORAL COMMUNITY CHARTER SCHOOL.

5.8 GRIEVANCE POLICY TO ADDRESS NON-STUDENT CONCERNS

5.8.01 Initial inquiry - Inquiries or concerns from a community member, parent or student regarding a specific CORAL COMMUNITY CHARTER SCHOOL staff member or program (NOT A STUDENT) should first be directed to the staff member involved or responsible for such program. If a community member, parent or student (hereinafter "community member") is not sure who is the responsible staff member, or, if the community member has an inquiry or concern of a broad nature, the community member should contact the administrator for clarification on the steps to follow.

5.8.02 Initial Grievance Process - If the community member feels the issue has not been satisfactorily handled at the individual staff member level, the issue may be referred to the Principal. After a meeting between the community member and the Principal, the Principal will prepare a written summary of attempt to resolve the community member's concern of the matter is not resolved. A copy will be promptly provided to the community member. If the community member feels the issue has not been satisfactorily resolved at the administrative level the community member may take the issue to the school's Governing Council for disposition.

5.8.03 Governing Council Review - The Governing Council, in its sole discretion, may decide whether any particular issue submitted to them is appropriate for Governing Council intervention. Typically, the Governing council will NOT review administrative decisions regarding the following: student discipline less than a long term suspension or expulsion, student placements (in special education or regular education classes), complaints about a staff member's performance (except the principal), matters particularly within the expertise of the educational staff and administration. The following procedure shall be followed for a Governing Council Review:

1. The community member may submit his/her grievance in writing to the CORAL COMMUNITY CHARTER SCHOOL's Governing Council within five days of receiving the Principal's statement concerning the good faith effort to resolve the dispute.
2. The letter must be in writing, signed by the community member and delivered to the Governing Council at the Coral Community Charter School. A copy of the Principal's statement should be enclosed.
3. If the community member does not submit a written grievance within five days from the date the written summary prepared by the administrator is delivered to the community member, the complaint will be deemed "resolved."
4. The grievance submitted to the Governing Council should include specific reasons why the community member is not satisfied with the administrator's decision; any specific Coral Community Charter School policy that the member believes has been violated, and any other relevant information and documentation that supports the grievance. The written grievance must be dated and signed by the person submitted the complaint.
5. The Governing Council will decide at the first meeting immediately following receipt of the written grievance whether it will hear the matter, and if it agrees to hear the matter, it will schedule a time for the meeting, which shall not be unreasonably delayed. Depending on the substance of the complaint, the Governing Council will also decide whether the grievance shall be heard as an informal meeting of the concerned parties, an informal hearing with each party being allowed to present his/her side of the story or any other procedure the Governing Council deems appropriate.
6. CORAL COMMUNITY CHARTER SCHOOL Governing Council members who are interested parties or who may have an actual or apparent conflict of interest shall disclose such conflict and be excused from the grievance meeting if the Governing Council deems the excusal necessary to provide the complaining community member a fair consideration of the grievance.
7. Any meeting or hearing concerning a matter that relates to personnel issues, that is confidential, or that implicates an individual's privacy rights will be held in a closed meeting in accordance with the Open Meetings Act, unless written permission by the affected individual is obtained prior to the meeting.

8. A decision will be established by a majority vote of the members of the CORAL COMMUNITY CHARTER SCHOOL Governing Council hearing the issue. Coral Community Charter School Governing Council may designate a committee of the Governing Council to meet with or conduct the hearing. Any final action required to be taken by the Governing Council will be made after the committee's recommendation is presented to the full Governing Council.

9. If additional information or investigations are necessary after the initial meeting or hearing, the meeting or hearing may resume as soon as is practical after further information has been gathered or an investigation has been conducted. The Governing Council will issue a final written decision regarding the grievance. The decision of the Governing Council is final.

5.9 FIRE DRILLS

Fire drills are held at Coral Community Charter School as required by law. Drills may occur at any time of the day. Students are requested to move quickly, as directed by the teacher, to the designated exit-area. Upon completion of the drill, an all-clear signal will be sounded, at which time all persons will return to their classrooms.

VI. STUDENT SUPPORT INFORMATION

6.1 STUDENT SUPPORT

NCLB and IDEA 2004 call for early intervention strategies with family involvement to improve the academic and functional outcomes of students. When students are struggling with learning or behaviors that interfere with learning at CORAL COMMUNITY

CHARTER SCHOOL, we use the Response to Intervention (RTI) process that finds and uses strategies that will work with the student. We look at how students are making progress with the current instruction in the classroom to find more effective ways to help students make academic and functional progress at Coral Community Charter School. We also look at what may contribute to difficulties. Together with families we will work to develop interventions aimed at increasing the likelihood that students can be successful and maintain their placement in the general education setting.

Struggling students are identified through classroom, school-wide and state-wide screening/testing processes as well as other means, such as teacher observation or parent concern. Struggling students are brought before the Student Assistance Team (SAT) that will address problems, design and recommend interventions that will help to alleviate or resolve the situation prior to referral for a multidisciplinary evaluation. In many cases, the SAT is able to assist students who need interventions in order to succeed, but who are not necessarily disabled and therefore do not qualify for special education services or Section 504 accommodations. In other words, the SAT is a "support group" for the regular education teachers and students in need. If you have concerns about your student's progress, please let the classroom teacher know. If the classroom teachers have concerns, they will bring them to your attention and determine if a SAT meeting is warranted.

6.2 SECTION 504

Section 504 of the Rehabilitation Act of 1973 prohibits discrimination against persons with disabilities by organizations receiving federal assistance. Included in the regulation is the requirement that handicapped students be provided with a "free appropriate public education" (FAPE). These regulations require identification, evaluation, provision of appropriate service, and procedural safeguards in all public Coral Community Charter Schools. Individuals who have been determined to be with disabilities under Section 504 may or may not be disabled under special education (IDEA). Section 504 services could apply to any Coral Community Charter School age student who, (1) has had a physical or mental impairment which substantially limits a major life activity, or (2) is regarded as having a disability by others. Major life activities include walking, seeing, hearing, speaking, breathing, learning, working, caring for oneself and performing manual tasks.

Parents who have concerns or questions regarding 504 services should contact the student's teacher or the Principal.

6.3 STUDENT FIND

CORAL COMMUNITY CHARTER SCHOOL has an affirmative, ongoing, obligation to identify, locate and evaluate all students with disabilities within the Coral Community Charter School community who either have or are suspected of having disabilities and need special education as a result of those disabilities. CORAL COMMUNITY CHARTER SCHOOL personnel, a private or public agency or institution, or a parent may initiate a referral for a replacement evaluation by contacting the Principal or by contacting one of the CORAL COMMUNITY CHARTER SCHOOL special education teachers

6.4 EDUCATIONAL SERVICES FOR GIFTED STUDENTS CORAL COMMUNITY CHARTER SCHOOL

Offers services to students who qualify as gifted through the Special Education program. For information on referral/screening procedures, eligibility requirements and program options, contact the Principal or special education teacher. Teachers and parents can refer students to the RTI Team for consideration and evaluation. For additional information see the Principal.

6.5 ABUSE AND NEGLECT

If any member of the CORAL COMMUNITY CHARTER SCHOOL staff suspects student abuse or neglect, appropriate authorities will be notified. The call and report will be made as soon as any sign of abuse is noticed. Any member of the staff can make the call and does not have to wait for approval. Calls may remain anonymous. Signs of suspected abuse or neglect will be documented and sent to the Principal and appropriate state authority.

6.6 STATEMENT OF RIGHTS PARENTS/GUARDIANS UNDER FERPA

The Family Educational Rights and Privacy Act (FERPA) affords parents and those with custodial rights certain rights with respect to the student's education records:

Coral Community Charter School provides the following notice regarding those rights:

Parents of students should submit to the Principal or designee a written request that identifies the record(s) they wish to inspect. The Principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

6.6.02 Amendment - You may request the amendment of your student's education records if you believe they are inaccurate or misleading. To amend the record, the parent should write to the Principal and clearly identify the part of the record the parents want changed, and specify why it is inaccurate or misleading. If CORAL COMMUNITY CHARTER SCHOOL decides not to amend the record as requested by the parent or eligible student, CORAL COMMUNITY CHARTER SCHOOL will notify the parent of the decision and advise of the parent's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent when notified of the right to a hearing.

6.6.03 Disclosure/Consent – A parent has the right to consent to disclosures of personally identifiable information contained in the student's education records. If no objection is received by September 15 of each year, information designated above will be classified as Directory Information until the beginning of the next Coral Community Charter School year. ***By signing that you received this policy in connection with the Student/Family Information Book, you acknowledge that you have received your annual notice of FERPA rights as required by federal law.*** If you chose to opt out for permitting your student’s directory information from being released, please sign the attached “Exclude the Release of Directory Information” form attached to this handbook.

6.6.05 Complaint - You have the right to file a complaint with the U.S. Department of Education concerning alleged failures by CORAL COMMUNITY CHARTER SCHOOL to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-4605.

However, CORAL COMMUNITY CHARTER SCHOOL may disclose appropriately designated "directory information" without written consent, unless you have advised the District to the contrary in accordance with District procedures. The primary purpose of directory information is to allow Coral Community Charter School to include this type of information from your student's education records in certain Coral Community Charter School publications. Examples include:

- A playbill, showing your student's role in a drama production;
- The annual yearbook;
