

Directions to
COLLISION RESEARCH LTD.
87 Grist Mill Road, Tillson - 845-658-9042

From Albany Airport, Albany, New York

- Exit Airport parking lot to the left and go approximately one mile to I-87 just past the Desmond Americana Hotel.
- Take a right onto I-87 (Adirondack Northway) South. Go approximately 5 miles south and exit onto the New York State Thruway which will still be I-87 South. This is kind of tricky, since at the Albany area, the NYS Thruway hooks to the west as I-90. In essence, south of Albany, the NYS Thruway is I-87 and west of Albany the NYS Thruway is I-90.
- You want the exit for I-87 South NYS Thruway and go south, towards New York City, for approximately 50 miles.
- You will exit the Thruway at #19 (Kingston). This will be mile marker 91.
- Take second exit off the traffic circle, Business District: Washington Avenue.
- Follow Washington Ave. approx. 2 miles, eight lights, until you come to Rte 32.
- Make a right onto Route 32 to go south. Take this approximately 8 miles through the towns of Bloomington and then Rosendale and up to Tillson.
- When you come up the hill to Tillson you will pass Rowley Lumber on your left and this will now be a 40 mph zone.
- Go approximately ¼ mile to the Postage Inn Restaurant on your left. This will be Grist Mill Road.
- Make a left onto Grist Mill and go approximately ½ mile to #87 Grist Mill.
- Collision Research is on the left-hand side with the flag pole, two lampposts and a gray fence at the beginning of the driveway. This would be the driveway after the large brick house.
