A Firefighter's Prayer

When I am called to duty, Lord Whenever flames may rage, Give me strength to save some life Whatever be its age. Help me embrace a little child Before it is too late, Or save an older person from the Horror of that fate. Enable me to be alert And hear the weakest shout. *And quickly and efficiently* To put the fire out. I want to fill my calling And to give the best in me. *To guard my every neighbor* And protect his property. And if I am to lose my life According to my call, Please bless with your protecting hand my family, one and all.

The Tennessee Federation of Fire Chaplains

He has sent me to bind up the broken hearted...
To give unto them beauty for ashes...
To proclaim the acceptable year of our Lord.
Isaiah 61
