

# Chapter Meeting with an Educational Presentation on Active Shooter Community Preparedness

Thursday, April 25, 2019

6:00 pm

Summerfield HOA - Clubhouse  
74 Summerfield Drive  
Holtsville, New York 11742

CAI advocates that disaster preparedness is critical for anyone who works or lives in a community association. Active shooter incidents are often unpredictable and evolve quickly. In the midst of the chaos, anyone can play an integral role in mitigating the impacts of an active shooter incident.

Join your peers for a discussion about active shooter situations and educate yourself on how to survive a potential active shooter incident by staying alive until the event is over and help arrives, including what to do when emergency responders arrive.

**Our professional speaker –**

**Matthew D. Seifer, NYS LIC. P.I. – Guardian Security Training**

In addition to addressing situational awareness for an active shooting, we will be provided with professional guidance on travel safety and tips to avoid senior scams.

No fee for Condo/HOA Volunteer Board members.
