Notes from the Prez

Dick Paige
MHHC President

And Now.....

THE NEWS

Grant St. is still not open for large groups. In fact, I'm not sure as I have not heard if they are open at all. Do not plan on meeting in September. Now the good news.

We shall gather October 4th at Stern Park for our 4th of July picnic. Bring your own food. Soft drinks, tea will be furnished by the club. This is all weather permitting and if we have to cancel an email will be sent notifying you of the cancellation. The time is 1:00pm until 5:00pm.

SPAH videos are still up for a while. If you haven't already seen them now is a good time to do so. Good seminars and music entertainment.

Whether we meet in October or not nominations for officers for 2021 will be open and will be taken at the picnic or by email if there is no picnic. The election to be held in December at the Christmas party if we are able to have one or by email if we cannot gather.

NO MEETINGS

Club Picnic

October 4th, 2020
Stern Park, Littleton
1:00 p.m. to 5:00 p.m.

We have been given 25 harmonicas as a donation from our late member Darwin Rolens' family. I believe that he passed away in 2015. All are in excellent shape with original cases except for a couple.

Most are nearly brand new condition. There are several collector harmonicas with low value. Hohner for most of the instruments, 2 Suzuki chromatics, one Lee Oskar and one made in China, and a collector made in East Germany. They will be available for viewing at the picnic. There are several unusual harmonicas too. Members get first chance then I will put them out to the public for sale.
