

# MASS MURDER TRENDS

The purpose of this chart is to provide a 'snapshot' of the mass shooting trends in the U.S. since President Reagan. The timeline will show the number of reported mass shooting for each presidency. The graph will show that since Reagan, the amount of gun related mass shooting occurred in a rather level percentage given the population and inevitability of such crimes. The major break in the trend comes with the Obama Administration when the statistics skyrocketed to nearly 100 fold. Moreover the timelines will show the most notorious mass shootings and/or bombings in the world since Reagan. That the graph suggests is that the same relative statistic occurred up until Obama. The overall charts suggests that the bombing that have been primarily Islamic have now been allowed to be visited upon the U.S. Mainland under Obama. The graph suggests that the various Acts to 'protect' American have in fact weakened her and made her less safe. It is a façade of the supposed War of Terror as the American get radiated and practically stripped search at the airports will the government intentionally aids in the illegal immigration of peoples that are coming over for more than economic reasons. The data presented here suggested plainly that guns reduce crime. In the cities and states that have the most strict gun control laws have the highest incidents of gun deaths. It is not the criminals that will disarm but the law-abiding ones that will not have a lethal recourse of defense and if so are the ones ending up getting sued for shooting the criminals, rapist and thieves. In a lot of cases, the actual bombing and mass shooting events have been accompanied by police and pro-military agencies that had been precisely orchestrating such a parallel exercise. This occurred on 9-11 h when President Chaney ordered the 'stand down' of the jets that were engaged in similar mock exercises that could have prevented the attacks. There have been more mass shootings in the USA under the Democrat administrations of Clinton and Obama.

**POLL:** Do you think that mass shoots are more a reflection of mental health or gun control law failures? Wash. Post 15-18, 2015

Nearly 3/4 of all the mass shootings in the U.S. have been caused directly by those adherent to the Qur'anic tenants of sticking terror in the 'non-believers' out of obedience to their book. If a 'Christian or Jewish' suicide bomber strikes, it is out of disobedience to the Torah, the Prophets and the Gospels. Muslims given the ideal conditions will seek to murder on behalf of their Allah Christians and Jews in particular as they are singled out. Islam is not the religion of peace and tolerance.

Most all of the assailants have had an affiliation with either the CIA, the military or FBI. The Russians even tipped-off DHS about the Tsarnaev brothers being CIA spies. They were to be killed so as to not talk but one survived. Many have been on government prescribed strong psychotic drugs to easily be programed to carry out their assignments.

Every time there is an orchestrated mass shooting in the USA, Obama exploits it to push gun confiscation with the help of the leftist media mafia. The claim by Obama that mass shoots do not occur in all the other developed nations is not true. Ironically Europe as a whole has more mass public shooting than the USA. This is occurring even though Europe has strict gun

The Talmudic controlled media would have you believe that because the government sponsored terror False Flags occur, that it is a national duty to outlaw firearms guaranteed by the U.S. Constitution. If this same rationale is applied to what really kills Americans, vehicles should be outlawed nearly a 100 fold. The 'War of Terror' is a lie to disarm the Populace to not fight back when the government will be hunting them down for extermination as in Soviet Russia, Maoist China, Na-zi or the Nationalist-Zionists that fused their one party in Germany.

Islamic Terrorists Have Carried Out More Than **27459** Deadly Terror Attacks Since 9/11  
 TheReligionofPeace.com

Barack Hussein Obama II is The CIA 'Manchurian Candidate' that was prepared to take down America. It had to come when America's moral weakness allowed for such immorality and decadence as the facets of the Globalist Luciferians co-opted the Populace to be nothing more than docile 'sheeple' unable and to late to change and End Game for America. Islam is now allowed into the US as the Ebola virus to function as the extended arm of the CIA elements that want the destabilization of the nation to suspend the national Constitution and usher in a total Police State. As a Muslim, Obama pledged that 'America would never be at war with Islam'. But the war would be initiated on Christmas or Christmas whom he loathes and excuses, apologies to the world but bows down to the Saudi King, the defender of Islam. Obama refuses to equate Islam with terror and excuses the drastic increasing Muslim attacks inside America as 'domestic disputes' or work place related violence.

Islamic terror shoots, bombing have occurred ever since Mohammed came out of the gates of hell in Arabia. He terrorized his way through the peninsula with the only option that the 'peace-loving' religion stipulates, submit to the Moon God Allah, Isis, etc, Lucifer, be beheaded or pay an extortionist tax to impoverish and subjugate those non-Muslim peoples. The diagram above shows the frequency of both the US shoots that for the most part have been an Inside Job. The most notable attacks within the world are also highlighted. Realize that according to a watchdog site, TheReligionofPeac.com, there have been over 27,000 Islamic attack in the world and counting. The major difference amongst the span of the U.S. Presidents is that the attacks have now come to the U.S. Mainland, by design, by importation of the very own government in the guise of 'humanitarian' immigration that will not screen out potential Islamic terrorists. Based on the End Game, these Muslim elements will continue to be allowed to operate to facilitate the need for a Police State and eventual suspension of the U. S. Constitutional rights. The pretext of such 'terror' has only allowed for the Patriot Act and Freedom Act that have stripped such civil right away and have made the U.S. less safe and secure.
