The Shared Beat Scholarship Program will soon complete its 10<sup>th</sup> year! We are so very excited to watch the program and the students grow together and to be able to provide educational scholarships for these thriving young minds with the help and generosity of our gracious donors and volunteers.

In early 2019, Flor graduated with a Nursing degree. Flor is also working in her community. We are so proud of each of these amazing students and their passion for helping people to be healthy!
