Invest in A Life!

A hundred years from now it will not matter what your bank account was, the sort of house you lived in, or the kind of car you drove. But the world may be different because you invested in the life of a child!

Thank You

“The Spirit of the Lord is on me, because he has anointed me to preach good news to the poor. He has sent me to proclaim freedom for the prisoners and recovery of sight for the blind, to release the oppressed, to proclaim the year of the Lord’s favor.”
Luke 4:18-19

Purpose

New Day, Inc. is a Christian ministry to at-risk children, youth, marriages and families. Our purpose is to provide programs which meet spiritual, emotional, social and life-skill development needs in the lives of those with whom we work. New Day draws its purpose from the mission statement of Christ in Luke 4:18-19 and believes that a personal relationship with God through Jesus Christ meets the deepest needs of individuals.

Founded in 1978, New Day is a private, non-profit, charitable organization that serves Cambria and Somerset counties and nearby communities.

Preventive in Nature

New Day's family-centered program is designed to be preventive in nature. Help is offered upon early signs of trouble for the sake of preventing deeper and more intensely destructive behavioral patterns.

Christian Orientation

The program of New Day is based on the Christian perspective of life. Principles of the Christian faith are presented as a decisive alternative to self-destructive forces. Individuals are encouraged to develop positive, meaningful relationships with self, society, and God.

New Day is open to explore the meaning of faith with those who are open to spiritual truth. No one is ever denied the services of New Day based on religious beliefs, race, color or creed.
