## **American Legion, Post 543 Celebrates Community Appreciation Night**

**Annually, American Legion Post 543 says Thank You and presents to individuals and organizations who provide significant monetary donations or services in support of American Legion activities throughout the year. These activities focus on improving the lives of veterans, their families and the youth of Brunswick County. As a token of its appreciation the Post recognizes these individuals with plaques and the thanks of almost 200 Legionnaires assigned to Post 543.
