The best way to describe Calvary's Mercy, is a three part harmony group of men infused with energy and feeling. This group sings traditional Southern Gospel at its finest. They perform a great mix of both old classics, and the best of today's Southern Gospel along with their own original material. Each member of this group brings a quality of his own, and has a strong calling from God to share His love through both music, and testimony. Calvary's Mercy has been singing since 2006, and is quickly gaining the respect of the Gospel music industry. Once you hear this group, you'll want to see them again, and again. They want to always present the Gospel in song to the best of their ability, and leave you with the message that Christ loves you, died for you, and that all you have to do is accept Him as Lord and Savior of your life, and your sins will be forgiven. This concert is free to the public. A freewill love offering will be taken.
