Due to Covid 19 our parish is experiencing financial challenges. As Masses have been cancelled, we still have many expenses to maintain, such as heat, light, insurance, etc. Realizing this situation affects everyone and some more devastating than others, it can be a stressful time for families. Some parishioners have inquired about their Sunday Collection, anyone who would like to still continue your weekly collection you are welcome to do so and it would be greatly appreciated. For those who have contributed, Thank You So Much. You can mail your envelopes to the address to the left, or you can drop your envelopes in the mailbox outside the office door. When you do the latter, please ring the doorbell to notify Helen at the office that it is there so she can pick up immediately. **Please refrain from depositing at the office door outside of office hours. Note: Office will be closed Wednesday, Thursday & Friday, July 1st, 2nd, & 3rd.**

Recycling Fundraiser

We have a new recycling bin, thanks to Gail Richards and her family. It is placed next to the parish centre door in front of the building. We ask that you drop off your recycling in this bin on Mondays if possible. This will give Gail time to bring the bags to the depot and get a report for the bulletin. Thank you to all who are contributing to this fundraiser, it seems to be going very well. To date we have a total of \$344.55 in our recycling account. You can also drop your bags at the Chamberlains depot under telephone number 325-3881.

Direct Giving

Direct Giving has been set up with the bank. You will soon receive a letter and authorization form for your consideration via mail or email.

Looking for Volunteers for Light Maintenance

Need some volunteers for some maintenance work around the parish, ie mowing lawn, painting fence and deck of house. We would like to have some teams of two people to do the mowing around the house and church. This needs to be done every 7-10 days. It's been done twice by volunteers so far, would be nice to have a few more people. The cemetery needs to be mowed as well. If you're interested call the office 834-2919.

Greetings to you, beloved brothers and sisters and parishioners of St. Edwards Parish, Kelligrews.

As we gradually enter alert level 2, hoping for the re-opening of churches (places of Worship). I use this opportunity to thank you, dear parishioners for your support and prayers, and also extending my heartfelt concern of the inconveniences and feelings this Pandemic (COVID-19) must have caused you and your Loved ones. I join you in this and also share your feelings while praying for God's intervention/permanent solution.

In anticipation of the re-opening of our church, I offer a heartfelt "welcome back" message which alert level 2 brings. However, understanding the times we are in, the church will look different when we come back or re-open, people may not be able to sit where they always have, how we do things will be different, but if we all come with an open heart/mind we can adjust and continue to be a strong, lively and lovely community we have always been.

Beloved parishioners, your physical and spiritual health and safety matter to us as a parish. So, when you see some changes in the church/church building or parish office, please do understand and join us to keep ourselves, our brothers and sisters, our church and our visitors safe and healthy. For now, the church is not open except for Funerals, weddings and Baptism as permitted and within the health and safety guidelines. We shall communicate to you very soon, the time to re-open the church after putting some things in place.

Thanks for your understanding and remain blessed in Jesus, Mary and Joseph

Love you in Christ

Fr Cosmas, SDV
