

Week 1: All about me

Reception to Y5

Our learning for transition

Learning that needs to be returned to your new teacher:

We have uploaded examples of transition sheets which you could print out and complete. Alternatively, you could create your own 'All about me' poster. This could include a photo of yourself, a pic collage or a drawing. Tell your new teacher all about who you are. What hobbies you enjoy, who is in your family, if you play any sports, what your favourite colour, food or animal is.

Acrostic poem – all about me

Please complete an acrostic poem of your first name.

Create a model

Using Lego, building materials, junk, items that you can collect on a walk or in the garden please create a model of anything you are interested in. For example, an animal you like, building, flower or a vehicle.

Transitional artwork:

Please complete one of these art activities about yourself.

1. Self portrait
2. All about me art

3. Profile art

If you would like to continue with daily Maths and English tasks, please use BBC Bitesize.

Encourage your child to read, access Bug club, TTRockstars and Numbots.
