

ANTI-MONEY LAUNDERING (AML) TRAINING

Required, no-cost training for agents selling life insurance.

If you're an agent selling life insurance products, you're required to take Anti-Money Laundering training. The course won't cost you anything. If you do not complete this training, we will not be able to process your customers' applications for Whole Life insurance products (including Cash-value riders on any insurance product).

Federal regulations (31 CFR 103.137) require Cigna Supplemental Benefits (CSB) insurance companies to provide their agents and producers with ongoing anti-money laundering training if they intend to sell a covered product. (Cash-value life insurance products are typically considered covered products.) In order to avoid delays in new business processing, CSB requires that you successfully complete anti-money laundering training provided by LIMRA on an annual basis.

If you have any technical questions about the LIMRA site, please email support@cfmpartners.com or call **866.364.2380**.
