

The Year of- “Sustainable Fusion” - 2015

The Lord desires for each one of us to walk more victoriously during 2015. He is calling each of us to compromise less, to commit ourselves even more to His Kingdom purposes, to follow Him more closely and we will do it all by taking Him at His Word.

Friends- He has given us the spiritual tools we need to walk in victory in 2015. The Word for 2015 is truly straight from heaven for you, “Sustainable Fusion.”

At first, I was baffled by the use of the two words together...until the Lord unpacked it for me...The word Sustainable is an adjective and an adjective describes a noun. The definition for Sustainable is the ability to maintain at a certain rate or level. As I looked up the word Sustainable, one of the definitions caught my eye, “Sustainable Fusion Reaction.” Yep, you read that right and now you know why I said, “It’s straight from heaven for you.” I love how God does this stuff!!!!

”Sustainable Fusion Reaction” brings an ecological balance by avoiding depletion of natural resources. God’s Word brings the spiritual balance and keep us from being spiritually malnourished. 2014 has many of you feeling depleted and out of spiritual balance! How many can honestly say they felt spiritually malnourished at times?

Through Him we are and always will be completely sustainable. He brings balance when we feel like we are out of balance and He does this to avoid depletion of who we are in Him. Through Him we can avoid the pitfall of compromise. Through Him we can commit ourselves to whatever He is calling us to do.

Our faith in Him brings the “sustainable fusion” that we need when things come against us in an attempt to deplete us or cause us to be out of balance. 2015 does not have to be a repeat of 2014!

Yes, there is a variety of things that will always try to deplete us or cause us to believe that we are depleted. The devil speaks his lies in an effort to deplete our faith and hope in what God has spoken to us. These lies can range anywhere from, “you didn’t hear God correctly” to “you will never be purposeful in life.”

Friends, when God speaks to us, each truth is valuable. Each truth will accomplish what He set it forth to do. God’s spoken Word causes us to be sustainable. The truth doesn’t change regardless of what the circumstances say. Take HIM at HIS WORD because HIS WORD is TRUTH and NEVER CHANGES! He wants us to take Him at His Word more than what circumstances say.

God is the Source of all things (1 Corinthians 8:6) and our lives are completely sustainable because of Him. He is the resilient strength of our hearts (Psalm 73:26) and He keeps us standing when we feel weighed down by life or concerns (Psalm 55:22). This “Sustainable Fusion Reaction” happens because He is the abundant supply by which ALL our needs are met (Philippians 4:19).

Psalm 73:26 calls our attention to the truth of God. The author acknowledges his weakness, "My flesh and my heart may fail." However, his next statement reveals his "Sustainable Fusion Reaction" because he refuses to yield to his flesh, "God is the strength of my heart and my portion forever."

God knows what we can handle or can't. God says He would not give us more than we could bear.

To be sustainable with God we know that we are not only under His watchful care but also guarded and protected by His wondrous power. Faith is what makes us sustainable. Trusting in His Word is what makes us sustainable. We are sustainable when we trust in Him regardless. God is saying, "Remember this. As you serve Me, there is no situation you can get yourself into that I cannot get you out of. If you trust Me, you will be all right."

Spurgeon once said, "Oh, brethern, be great believers! Little faith will bring your souls to Heaven, but great faith will bring Heaven to your soul."

Sustainable Fusion brings heaven to your soul in the midst of life bringing heaven's balance in and avoiding depletion.

"God, our Father, has made all things depend on faith so that whoever has faith will have everything, and whoever does not have faith will have nothing" (Martin Luther).

Lord- I give you 2015 and I purposely will make a point to fix my thoughts and eyes on only You. Help me to faithfully follow hard after You and walk in the light of Your presence. May I listen to only Your voice, be known by You and follow You. I ask that You establish the work of my hands this day, and everyday so that Your kingdom purposes will be accomplished in my life. Enable me by Your Spirit to speak Your word with great boldness into every situation of my life, regardless of what is happening around me. May my encounters with friends and strangers alike be seasoned with the presence of Christ. I declare today that my hope is only in You. Strengthen me to remain in You always. Help me to walk closely to you and to abide only in You. Help me make 2015 a year where I bear much spiritual fruit for Your kingdom. I acknowledge without you I can do nothing unless I am abide in You. Father, thank You for the promise of Your Word that as I come near to You, You will come near to me.
