*CELEBRATING THE LIFE
OF
NANCY BROGREN*

Sunday, August 12 during Worship

Our long-time Friend and Church Family Member has gone on to be with our LORD. Due to her love for the Psalm and the song we are sure that she was transported there, "On Eagles Wings." You are invited to join us on Sunday, August 12th. We will Celebrate the life of our Sister in Christ during our Worship. Bring your memories with you; there will be a time to share.

PASTORS' CORNER

'DONUTS, CLOTHING AND TRUTH'

Often in browsing in the newspaper or half-watching the television, some word catches my eye. My mind quickly jumps in, and my reflections take off in many directions. So it is with the title of this article ... that's where it came from.

"'Maybe I need to stop eating so many donuts,' the man sitting at the coffee shop counter says to the waitress. 'Why?' she questions. 'They seem to make my clothes shrink,' he replies." Then we're running down many pathways of thought, for better or worse!

Where I ended on this one, after chuckling a little, was to deal with the obvious ... clothes don't shrink from any connection with how much we eat, but sometimes our waistline grows! And then we go from Point A and Point B, not to some logical, correct Point C ... but perhaps land on Point F, or even Point K or S or X!! Sometimes we reason quite well, especially if we ask God's guidance. Other times, we may well end up at point T, convinced of the wrong answer, thinking and defending the point that the man's pants are shrinking!

Truth is not a shot in the dark, but a reasonable conclusion from the evidence. The Bible states in John 8:32 that "You shall know the truth, and the truth will set you free." Jesus says also in John 14:6 that "I am the way and the truth and the life. No one comes to the Father except through me."

Reflect on these words for a couple of minutes! God bless you, and may your random reflections always include God in the process! HE has a lot of TRUTH to share with us!

With our Love and Prayers, Pastor Russ and Pastor Cindy

Dear Children of God,

Thank you for continuing to worship and study together with us on Sunday mornings, during Bible Studies and in so many other ways. Thank you also for continuing to pray for each other and for all who have requested prayer in our community and beyond. Being a part of this Praying Church, is an honor. You are making differences in the lives of many people including your own and ours as well.
